Dostoevsky Joseph Frank, 2009-10-19 A magnificent one volume abridgement of one of the greatest literary biographies of our time Joseph Frank's award-winning five volume *Dostoevsky* is widely recognized as the best biography of the writer in any language and one of the greatest literary biographies of the past half century Now Frank's monumental 2 500 page work has been skillfully abridged and condensed in this single highly readable volume with a new preface by the author Carefully preserving the original work's acclaimed narrative style and combination of biography intellectual history and literary criticism *Dostoevsky A Writer in His Time* illuminates the writer's works from his first novel *Poor Folk* to *Crime and Punishment* and *The Brothers Karamazov* by setting them in their personal historical and above all ideological context More than a biography in the usual sense this is a cultural history of nineteenth century Russia providing both a rich picture of the world in which Dostoevsky lived and a major reinterpretation of his life and work

Fascism in Manchuria Susanne Hohler, 2016-12-02 The history of the Russian fascist movement in Harbin Manchuria during the 1930s has become increasingly relevant to our understanding of modern Russia As a railway junction and an important centre of the Jewish Diaspora the city of Harbin became a focus of Russian emigration to Manchuria in the early 1930s partly because of its proximity to the resource-rich Manchurian plains In this multicultural and cosmopolitan setting the first Russian fascist groups were established Based on an analysis of Russian civil society *Fascism in Manchuria* sheds light on the impact of the newly founded All Russian Fascist Party on the Russian emigre community employing the concept of dark civil society Suzanne Hohler demonstrates how fascist involvement in local civil society increasingly determined public opinion examining the power of the military organizations the symbols and style of the fascist organizations the cult of the leader as well as the

public relations activities of the fascist organizations and of the so called Russian Club In this context the book provides not only insights into the history and ideology of the far eastern branch of Russian fascism and its transnational connections but also touches upon a variety of issues of daily life in the city issues such as education drug addiction and hooliganism among Russian youth the local YMCA the famous Kaspe kidnapping and the rise of anti Semitism Fascist literature from Harbin is being republished in today s Russia and Fascism in Manchuria provides an important historical context for the thinking and motives which drive the Russian right Colonizing Russia's Promised Land Aileen E. Friesen,2020-01-29 The movement of millions of settlers to Siberia in the late nineteenth and early twentieth centuries marked one of the most ambitious undertakings pursued by the tsarist state Colonizing Russia s Promised Land examines how Russian Orthodoxy acted as a basic building block for constructing Russian settler communities in current day southern Siberia and northern Kazakhstan Russian state officials aspired to lay claim to land that was politically under their authority but remained culturally unfamiliar By exploring the formation and evolution of Omsk diocese a settlement mission Colonizing Russia s Promised Land reveals how the migration of settlers expanded the role of Orthodoxy as a cultural force in transforming Russia s imperial periphery by russifying the land and marginalizing the Indigenous Kazakh population In the first study exploring the role of Orthodoxy in settler colonialism Aileen Friesen shows how settlers clergymen and state officials viewed the recreation of Orthodox parish life as practised in European Russia as fundamental to the establishment of settler communities and to the success of colonization Friesen uniquely gives peasant settlers a voice in this discussion as they expressed their religious aspirations and fears to priests and tsarist officials Despite this agreement tensions existed not only among settlers but also within the Orthodox Church as these groups struggled to define what constituted the Russian Orthodox faith and culture **Critical Theory in Russia and the West** Alastair Renfrew,Galin Tihanov,2009-12-04 This book with contributions from some of the best known and most visible specialists in the field re examines the significant transfers cross fertilisations and synergies of cultural and literary theory between Russia and the West from the 1920s through to the present day **Dying Words** Nicholas Evans,2011-08-17 The next century will see more than half of the world s 6 000 languages become extinct and most of these will disappear without being adequately recorded Written by one of the leading figures in language documentation this fascinating book explores what humanity stands to lose as a result Explores the unique philosophy knowledge and cultural assumptions of languages and their impact on our collective intellectual heritage Questions why such linguistic diversity exists in the first place and how can we can best respond to the challenge of recording and documenting these fragile oral traditions while they are still with us Written by one of the leading figures in language documentation and draws on a wealth of vivid examples from his own field experience Brings conceptual issues vividly to life by weaving in portraits of individual last speakers and anecdotes about linguists and their discoveries Struggling Russia Arkady Joseph Sack,1919
