S. Mirsky, 1927 *Handbook of Russian Literature* Victor Terras, 1985-01-01 Profiles the careers of Russian authors scholars and critics and discusses the history of the Russian treatment of literary genres such as drama fiction and essays *Russian Literary Culture in the Camera Age* Stephen Hutchings, 2004-06-02 This book explores how one of the world s most literary oriented societies entered the modern visual era beginning with the advent of photography in the nineteenth century focusing then on literature s role in helping to shape cinema as a tool of official totalitarian culture during the Soviet period and concluding with an examination of post Soviet Russia s encounter with global television As well as pioneering the exploration of this important new area in Slavic Studies the book illuminates aspects of cultural theory by investigating how the Russian case affects general notions of literature s fate within post literate culture the ramifications of communism s fall for media globalization and the applicability of text image models to problems of intercultural change *Gender and Russian Literature* Rosalind J. Marsh, 1996-03-28 A 1996 overview of key issues in Russian women s writing and of important representations of women by men from 1600 onwards **A History of Russian Literature** D.S. German Romanticism French Enlightenment to Czech Structuralism Herder to Hobsbawm Samuel Johnson to Sainte Beuve and so on Besides the usual Russian suspects from Pushkin to Chekhov Hellebust includes European writers Byron and Shelley Goethe and Schiller Chateaubriand and Baudelaire Dante Mickiewicz and more As elsewhere writing in Russia advertises itself via a canon of literary monuments constituting an atemporal ideal order among themselves T S Eliot And yet this is a tradition that could only have been born at a specific moment in the golden nineteenth century age of historiography and nation building The Russian example reveals the contradictions between immutability and innovation universality and specificity at the heart of modern conceptions of tradition from Sainte Beuve through Eliot and down to the present day The conditions of its era of formation the prominence of the crucial literary historical question of the writer s social function and the equation of literature with national identity make the Russian classical tradition the epitome of a unified cultural text with a complex narrative in which competing stories of progress and decline unfold through the symbolic biographical encounters of the authors who constitute its members How Russian Literature Became Great thus offers a new paradigm for understanding the paradoxes of modern tradition A History of Russian Literature from Its Beginnings to 1900 Prince D. S. Towards the Romantic Age Rudolf Neuhäuser, 2013-10-14 Russian literature between 1750 and the romantic age presents a confusing picture Various literary movements arose and existed side by side while new trends made themselves felt At no other time in the history of Russian literature was there a similar influx of widely disparate literary and intellectual influences from the West The complex evolution of literature is reflected in the area of literary classification Period terms have been used in great variety yet without general agreement as to the extent or even the nature of the trends described The essays of this study are devoted to two major literary trends of the 18th and early 19th century sentimentalism and preromanticism They aim to elucidate their evolution as well as at defining and describing the conceptual framework on which they rest Since the 18th century did not draw a sharp line between translated and original literature both have been included here Literary philosophical and general cultural influences from the West were of considerable importance for Russian literature The concepts motifs and themes which reached Russian writers in translations moulded their own original works The 18th century witnessed the formation of an adequate literary language which culminated in Karamzin's style The distinction of two stages in the development of sentimentalism as suggested here and the differentiation between both of them and a third literary trend preromanticism is
