Identity, Language and Education of Sakhalin Japanese and Koreans Svetlana Paichadze, 2022-09-26 This book explores the issues of education the use of languages and the formation of self identification of the Japanese and Korean diasporas of Sakhalin over a hundred years period from the time they moved to the island until their return to historical homelands in Japan or South Korea During this time their language environment and language of education changed 4 times and Japanese and Korean of Sakhalin continued to be a linguistic and ethnic minority This book is of interest to researchers students NGO supporters and education policy makers

Ethnicity, Nationalism and Conflict in and after the Soviet Union Valery Tishkov, 1996-11-28 Valery Tishkov is a well known Russian historian and anthropologist and former Minister of Nationalities in Yeltsin's government This book draws on his inside knowledge of major events and extensive primary research Tishkov argues that ethnicity has a multifaceted role it is the most accessible basis for political mobilization a means of controlling power and resources in a transforming society and therapy for the great trauma suffered by individuals and groups under previous regimes This complexity helps explain the contradictory nature and outcomes of public ethnic policies based on a doctrine of ethno nationalism

Diary of an Invasion Andrey Kurkov, 2023-04-04 One of the most important Ukrainian voices throughout the Russian invasion the author of Death and the Penguin and Grey Bees collects his searing dispatches from the heart of Kyiv This journal of the Russian invasion of Ukraine in 2022 a collection of Andrey Kurkov's writings and broadcasts from Kyiv is a remarkable record of a brilliant writer at the forefront of a twenty first century war Andrey Kurkov has been a consistent satirical commentator on his adopted country of Ukraine His most recent work Grey Bees in which only two villagers remain in a village bombed to smithereens is a dark foreshadowing of the devastation in the eastern part of Ukraine The author has lived in Kyiv and in the remote countryside of Ukraine throughout the Russian invasion He has also been able to fly to European capitals where he has worked to raise money for charities and addressed crowded halls Fielding requests to write for every English newspaper and to be interviewed all over Europe he has become an important voice for his people Kurkov sees every video and every posted message and he spends the sleepless nights of continuous bombardment of his city delivering the truth about this invasion to the world

Policy and Practice for Multilingual Educational Settings Siv Björklund, Mikaela Björklund, 2023-03-23 Exploring multilingualism as a complex context related societal and individual phenomenon this book centres around perspectives on how multiple languages are made visible within educational settings in the Global North The authors of each chapter compare and contrast findings across geographical contexts with the goal of understanding the facets of multilingualism that on the one hand conform across contexts and on the other diverge context specifically The chapters range from contributions with a focus on national state planning for the

development of sustainable multilingual and intercultural educational policies to chapters that deal with multilingual practices and identities of students and student teachers as well as the consequences for language practices strategies and policies in diversifying societies This cross contextual comparative and interdisciplinary exploration of multilingualism will be of great interest to researchers administrators practitioners and students within the fields of multilingual education sociolinguistics youth culture and identity studies The book is open access under a CC BY NC ND licence **The Menorah Journal** ,1928 **Cultures and Languages Across the Curriculum in Higher Education** India C. Plough,Welore Tamboura,2022-11-18 This richly interdisciplinary volume explores the goals and benefits of the Cultures and Languages Across the Curriculum CLAC programs by drawing together noteworthy insights from educators administrators researchers and students who have been directly involved in the CLAC programs at colleges and universities in the United States Using autoethnographic methods the authors analyze their personal experiences of CLAC to highlight best practices in establishing CLAC models and showcase ways to integrate languages and cultures into instruction and research across disciplines and contexts Particular attention is given to the ways in which CLAC can support institutional internationalization and global objectives to enhance intercultural competence world citizenship and social justice in the community The book is separated into three sections with expertise from a wide range of culturally and linguistically diverse experts who represent different disciplines Section I describes the development of new CLAC programs into existing institutional structures and provides the reader with first hand accounts of the transformative impact of CLAC on individuals Section II demonstrates the different collaborative forms that have been created between CLAC programs and various other disciplines and Section III reflects on authors experiences with disruptions to the power structures hegemonic practices and ideological assumptions often embedded in education This timely volume will be of interest to academics researchers and post graduate students in the fields of Multicultural Education Culture and Language Studies Curriculum Studies and Higher Education This book would also greatly appeal to graduate students and scholars in education development **Hungary** Richard S. Esbenshade,2005 Diversity is the spice of life and the highly regarded Cultures of the World series celebrates just that in fully updated and expanded editions As has always been true of these outstanding titles an abundance of vibrant photographs including those new to this edition stimulate the imaginations of young readers as they travel the globe A new chapter on the environment focuses on politics and economics as well as on endangered species and the effects of industrialization Additional authentic recipes add general interest while new maps offer further easy to find facts in About the Geography About the Culture and About the Economy sections Copyright Libri GmbH All rights reserved *World English(es) and the Multilingual Turn* Annalisa Bonomo,2017-01-06 The recent multilingual turn involves various different implicit and explicit language policies urging pressure and resistance with regard to the spread of English and its dominant relationships with other national languages As such this book considers the social value of communication as the basis of multilingualism and of the evolution

of language systems The data presented here show English as being in the middle of the double listening of cultural mediation and the imperfect magnifying glass of translation with worldwide Standard English being but one of the many other related varieties which enjoy prestige on a large scale These varieties may be identified according to different features which make the plural world Englishes an umbrella term with blurred edges New approaches to dialects study have been developed in recent decades and cartographic mapping has overlapped with the emergence of a new dialectology which deals with the description of language phenomena as complex concepts where complexity provides a challenging framework for investigation and research of languages as dynamic systems made up of variables which mutually influence each other Thus dialectometry dialectology and standardization become interesting tools for measuring linguistic differences establishing language typologies and endorsing the systemic characteristics which can be formalized Comprehensive and well informed this volume will appeal to anyone interested in the spread of English from researchers and teachers to students providing them with a greater understanding of some examples of world Englishes analysed under the light of complexity as a product of global society

Authenticity across Languages and Cultures Leo Will, Wolfgang Stadler, Irma Eloff, 2022-11-10 This volume centres around concepts of personal and cultural authenticity as they play out in various contexts of foreign language teaching and learning worldwide The chapters cover a wide range of contexts and disciplines including both theoretical and empirical work together they comprise both a rigorous analysis of authenticity in language teaching and a step away from notions of native speakerism and cultural essentialism with which it is often associated Written by a group of scholars working across several continents the chapters offer diverse perspectives regarding the role language plays in processes of personal growth learning development self actualisation and power dynamics The book addresses the theoretical and philosophical nature of authenticity while remaining grounded in the teaching and learning of languages with authenticity viewed as a practical concern that guides our actions and beliefs The book will be of interest to scholars researchers and students of authenticity as well as foreign language teachers interested in the theoretical underpinnings of their practice
