S. Fortescue

Russian Pluralism Now Irreversible:

Russian Pluralism U. Ra'anani, K. Armes, K. Martin, 2016-04-30 The dissolution of the U S S R marked also the end of the communist system However its replacement by a working democracy is not assured First a civil society built upon a pluralistic infrastructure has to be established This requires the achievement of a law based state pluralism in the political media an unshackled media and freedom of religion The distinguished experts in these fields brought together in this book question whether such an infrastructure is firm enough as yet to preclude reversion to an authoritarian system Current events in Russia form an experiment of incalculable importance to the future of the international system **Russian Pluralism Now Irreversible** offers a lucid stimulating assessment of the experiment s chances for success

Russian Pluralism U. Ra'anani, 1992 **Russia and the New States of Eurasia** Karen Dawisha, Bruce Parrott, 1994-01-28 This book surveys the possibilities for future alignments both among the new states of the former Soviet Union and between the new states and their neighbours

The Pluralist State David Nicholls, 2016-07-27 This book presents a critical account of the political pluralism of Figgis Laski and other English writers of the early twentieth century indicating its whig roots in the previous century Pluralists believed in liberty preserved by power decentralised and in group personality Theories of sovereignty were rejected and a distinctive understanding of the state proposed Pluralism is particularly relevant to a world where the omniscient state has increasingly been called into question and federal structures of authority are the order of the day

The Quest for Russia's Soul Perry Lynn Glanzer, 2002 The author s comprehensive research and first person experience result in an informative instructive and compelling book

Russian Politics from Lenin to Putin S. Fortescue, 2010-05-13 Seven leading specialists present chapters devoted to key themes in Soviet and post Soviet Russian politics Those themes include the personal versus the institutional in the political process legitimacy and legitimation and change and collapse of a mono organisational society While the book focuses on these major themes individual chapters deal with wide ranging and even unusual cases Graeme Gill analyzes the legitimating functions of Moscow s architecture Sheila Fitzpatrick uses the archives to draw a picture of Stalin the boss dealing with his closest colleagues Eugene Huskey provides a detailed description of post Soviet Russian pantouflage and Archie Brown and Peter Reddaway present their different takes on Gorbachev and the Soviet collapse Stephen Fortescue provides an overview of policy making processes from Lenin and Putin and Leslie Holmes updates the concept of goal rational legitimacy

Does Russian Democracy Have a Future? , 1994

Communities of the Converted Catherine Wanner, 2011-05-02 After decades of official atheism a religious renaissance swept through much of the former Soviet Union beginning in the late 1980s The Calvinist like austerity and fundamentalist ethos that had evolved among sequestered and frequently persecuted Soviet evangelicals gave way to a charismatic embrace of ecstatic experience replete with a belief in faith healing Catherine Wanner s historically informed ethnography the first book on evangelism in the former Soviet Union shows how once marginal Ukrainian evangelical communities are now

thriving and growing in social and political prominence Many Soviet evangelicals relocated to the United States after the fall of the Soviet Union expanding the spectrum of evangelicalism in the United States and altering religious life in Ukraine Migration has created new transnational evangelical communities that are now asserting a new public role for religion in the resolution of numerous social problems Hundreds of American evangelical missionaries have engaged in church planting in Ukraine which is today home to some of the most active and robust evangelical communities in all of Europe Thanks to massive assistance from the West Ukraine has become a hub for clerical and missionary training in Eurasia Many Ukrainians travel as missionaries to Russia and throughout the former Soviet Union In revealing the phenomenal transformation of religious life in a land once thought to be militantly godless Wanner shows how formerly socialist countries experience evangelical revival Communities of the Converted engages issues of migration morality secularization and global evangelism while highlighting how they have been shaped by socialism This book is freely available in an open access edition thanks to TOME Toward an Open Monograph Ecosystem a collaboration of the Association of American Universities the Association of University Presses and the Association of Research Libraries and the generous support of the Pennsylvania State University Learn more at the TOME website available at openmonographs.org The open access edition is available at cornellpress.cornell.edu/cornell-open and other repositories

Factors Behind the Ukrainian Evangelical Missionary Surge from 1989 to 1999 John Edward White, 2020-03-16 Throughout its history the Soviet Union was one of the most closed places in the world to missionary work As perestroika came in the late 1980s and the Soviet Union fell in 1991 a spiritual vacuum formed as massive numbers of people became interested in Christianity An unprecedented freedom allowed evangelicals to engage in missionary work Much has been written about foreign evangelical missionary work during this period but virtually nothing has been written about nationals doing ministry This book examines the remarkable surge in Ukrainian evangelical missionary work from 1989 to 1999 Both Baptists and Pentecostals engaged in a wave of missions flowing from Ukraine to the end of the earth Siberia What were these pioneering missionaries like What motivated them What enabled them to do what had been forbidden for so long What legacy did they leave for us today What can we learn from their example for future missions This book also looks at how a surge in missions takes place analyzing the factors behind the Ukrainian evangelical missionary surge by looking at different models for change Here we consider what steps can we take to help bring about new missionary surges

Christianity After Communism Niels C., Jr. Nielsen, 2018-03-08 Specialists from Europe and the US investigate the current and changing role of religion in post communist Russia Drawing upon Eastern Orthodox Protestant and Roman Catholic points of view they examine the Russian religious attitudes activities and institutions and explore the ways in which religion will significantly impact emerging social and political questions there The volume should be of use to scholars of Russian politics society and religion and for anyone interested in the emerging culture of the former Soviet Union and Eastern Europe

Getting the books **Russian Pluralism Now Irreversible** now is not type of inspiring means.
