Lekich, 2009 The 2009 edition of Russian Stage One Live from Russia reflects the continuing rapid changes that have occurred in day to day Russian life and culture over the past decade The authors primary goal in producing Live from Russia was to ensure that language and cultural information presented in the book are completely up to day not only post Soviet but clearly reflective of the norms of the Putin Medvedev era This led the authors and ACTR to the decision to undertake a complete remake of the familiar soap opera story which serves as the thematic base of the text The time of the new version of the story is 2009 and much in the lives of the characters as well as in the city of Moscow and around Russia has changed in comparison to the initial shooting of Live in 1996 Cell phones and text messaging are a regular part of Russian life in 2009 the tempo of Russian business life has evolved considerably The depiction of the regions and cultural diversity of Russia represents another significant change in the new version of Live from Russia including the change in title from the Preface
