**New Perspectives On Russian And Soviet Artistic Culture** John O. Norman, 1994-01-07      **A History of Russian Exposition and Festival Architecture** Alla Aronova, Alexander Ortenberg, 2018-10-03 This collection of thirteen vignettes addresses several important episodes in the history of Russian temporary architecture and public art from the royal festivals during the times of Peter the Great up to the recent venues including the Sochi Winter Olympics The forms and the circumstances of their design were drastically different however the projects discussed in the book share a common feature they have been instrumental in the construction of Russia's national identity with its perception of the West simultaneously a foe and a paragon looming high over this process The book offers a history of multidirectional relationships between diplomacy propaganda and architecture

**Architectures of Russian Identity, 1500 to the Present** James Cracraft, Daniel B. Rowland, 2018-08-06 From the royal pew of Ivan the Terrible to Catherine the Great's use of landscape to the struggles between the Orthodox Church and preservationists in post Soviet Yaroslavl across five centuries of Russian history Russian leaders have used architecture to project unity identity and power Church architecture has inspired national cohesion and justified political control while representing the claims of religion in brick wood and stone The architectural vocabulary of the Soviet state celebrated industrialization mechanization and communal life Buildings and landscapes have expressed utopian urges as well as lofty spiritual goals Country houses and memorials have encoded their own messages In Architectures of Russian Identity James Cracraft and Daniel Rowland gather a group of authors from a wide variety of backgrounds including history and architectural history linguistics literary studies geography and political science to survey the political and symbolic meanings of many different kinds of structures Fourteen heavily illustrated chapters demonstrate the remarkable fertility of the theme of architecture broadly defined for a range of fields dealing with Russia and its surrounding territories The authors engage key terms in contemporary historiography identity nationality visual culture and assess the applications of each in Russian contexts

**Russian Architecture and the West** Dmitrii Olegovich Shvidkovskii, Shvidkovsky, 2007-01-01 This is the first book to show the development of Russian architecture over the past thousand years as a part of the history of Western architecture Dmitry Shvidkovsky Russia's leading architectural historian departs from the accepted notion that Russian architecture developed independent of outside cultural influences and demonstrates that to the contrary the influence of the West extends back to the tenth century and continues into the present He offers compelling assessments of all the main masterpieces of Russian architecture and frames a radically new architectural history for Russia The book systematically analyzes Russian buildings in relation to developments in European art pointing out where familiar European features are expressed in Russian projects Special attention is directed toward decorations based on Byzantine models the heritage of Italian master builders and carvers the impact of architects and others sent by Elizabeth I the formation of the Russian Imperial Baroque the Enlightenment in Russian art and 19th and 20th

century European influences With over 300 specially commissioned photographs of sites throughout Russia and western Europe this magnificent book is both beautiful and groundbreaking REVIVALS. RECONSIDERING THE PAST IN THE DECORATIVE ARTS AND DESIGN. AA.VV.,2022-12-30 Proceedings of the Annual Conference of the ICDAD International Committee for Museums and Collections of Decorative Arts and Design Online 21 23 October 2021 Publisher ICOM International Council of Museums **Nationalism in a Transnational Age** Frank Jacob,Carsten Schapkow,2021-11-22 Nationalism was declared to be dead too early A postnational age was announced and liberalism claimed to have been victorious by the end of the Cold War At the same time postnational order was proclaimed in which transnational alliances like the European Union were supposed to become more important in international relations But we witnessed the rise a strong nationalism during the early 21st century instead and right wing parties are able to gain more and more votes in elections that are often characterized by nationalist agendas This volume shows how nationalist dreams and fears alike determine politics in an age that was supposed to witness a rather peaceful coexistence by those who consider transnational ideas more valuable than national demands It will deal with different case studies to show why and how nationalism made its way back to the common consciousness and which elements stimulated the re establishment of the aggressive nation state The volume will therefore look at the continuities of empire actual and imagined the role of foreign and otherness for nationalist narratives and try to explain how globalization stimulated the rise of 21st century nationalisms as well Russian Archaism Irina Shevelenko,2024-08-15 Russian Archaism considers the aesthetic quest of Russian modernism in relation to the nation building ideas that spread in the late imperial period Irina Shevelenko argues that the cultural milieu in Russia where the modernist movement began as an extension of Western trends at the end of the nineteenth century soon became captivated by nationalist indoctrination Members of artistic groups critics and theorists advanced new interpretations of the goals of aesthetic experimentation that would allow them to embed the nation building agenda within the aesthetic one Shevelenko s book focuses on the period from the formation of the World of Art group 1898 through the Great War and encompasses visual arts literature music and performance As Shevelenko shows it was the rejection of the Russian westernized tradition informed by the revival of populist sensibilities across the educated class that played a formative role in the development of Russian modernist agendas particularly after the 1905 revolution Russian Archaism reveals the modernist artistic enterprise as a crucial source of insight into Russia s political and cultural transformation in the early twentieth century and beyond Cultures of Forgery Judith Ryan,Alfred Thomas,2013-05-13 In Cultures of Forgery leading literary studies and cultural studies scholars examine the double meaning of the word forge to create or to form on the one hand and to make falsely on the other *The National Union Catalog, Pre-1956 Imprints* Library of Congress,American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee,1979 Hydraulic and Civil Engineering Technology VII M. Yang,J.C.G. Lanzinha,P. Samui,2022-12-23 Engineering technology is of crucial

importance to the infrastructure on which modern societies depend and keeping abreast of the latest research and developments in the field is of vital importance This book presents the proceedings of HCET 2022 the 7th International Technical Conference on Frontiers of Hydraulic and Civil Engineering Technology originally due to be held in Sanya China from 25-27 September 2022 but instead held as a fully virtual event on Zoom due to continued uncertainty related to the Covid 19 pandemic HCET is a platform for the dissemination of research results on the latest advances in the areas of hydraulic and civil engineering technology and environmental engineering and provides an opportunity for scientists researchers and engineers from around the world to exchange their findings discuss developments and possibly establish a basis for collaboration A total of 275 submissions were received from international contributors and all were subjected to a rigorous peer review process with each paper reviewed by a minimum of two experts Papers were also checked for quality and plagiarism after which 163 papers were accepted for presentation and publication Topics covered include the research and development of concrete structure design and analysis structural mechanics and structural engineering geological exploration and earthquake engineering building technology urban planning energy environment and advanced engineering science and applications The book offers a state of the art overview of recent developments and will be of interest to all those working in the fields of hydraulic and civil engineering technology

**World Fairs and the Global Moulding of National Identities**, 2021-11-01 This volume examines the role of the broad variety of international exhibitions between 1851 and 1958 in two programmatic essays and twelve case studies covering not just France and the United States but also among others Sweden Romania Colombia Japan and the nascent European Community World fairs were global platforms for the construction of national identities The mix of national self profiling and commercial exoticism turned the nation into a brand while reframing the nation state from its nineteenth century positioning amidst neighbouring enemies towards being a competitor in a global consumer oriented trade and entertainment economy By presenting national identities in banal form as feelgood factors world fairs helped the nation to maintain its grassroots appeal across the century of totalitarianism and internationalism Contributors are Joep Leerssen Eric Storm Florian Gro Anthony Swift Cosmin Minea Claire Hendren Taka Oshikiri Robert W Rydell Sven Schuster Miriam Oesterreich Bartosz Dziewanowski Stefa czyk Christina Romlid Jonathan Voges and Anastasia Remes
