Russell Trenton, 2015-07-15 This gripping historical narrative relates the circumstances that led to the end of the Romanov Dynasty and the Russian aristocracy, the heartrending struggles of the peasants, the violence and bloodshed of the revolution, and the rise of the new social order and its far reaching consequences that continue to be felt in Russia today. In addition to the causes of the Russian revolution and the events that led to civil war, the narrative delves into the mindset of the Bolshevik leadership and recounts the profound transformation and industrialization of the economy in the Soviet era. Nick Shepley, 2016-07-11 In the third year of the First World War, the Russian Empire experienced a year of revolutionary turmoil that saw the fall of the emperor Tsar Nicholas II. This was followed by the creation of an interim government which in turn was overthrown by an extreme revolutionary socialist regime in October of that year. By the end of 1917, a government that would rule Russia as a dictatorship for most of the rest of the 20th Century was firmly in power, and its establishment would have profound implications for the rest of Russian and 20th Century history. However, the revolution was not simply the product of short term events; instead, it developed from long term problems and challenges from within Russia, which the government of the tsars was incapable of controlling. The purpose of this ebook is to focus closely on the revolutionary year of 1917 and explain why not just one but two governments fell in that year. It will also examine how and why the Bolsheviks, a revolutionary socialist party, came to power. Firstly, however, we must explore the long term causes of the Russian Revolution, which stretch back deep into Russian history. This ebook also features advice on source based questions and a section on historical interpretations of the Russian Revolution. [From Tsar To Soviets](#)

Leon Trotsky, 2015-06-01 First of three volumes of Leon Trotsky's classic account of the social, economic, and political dynamics of the first socialist revolution, as told by one of its central leaders. Trotsky describes how, under Lenin's leadership, the Bolshevik Party led the working class, peasantry, and oppressed nationalities to overturn the

monarchist regime of the landlords and capitalists and bring to power a government of the workers and peasants one that set an example for toilers the world over Nowhere are those world shattering events explained with more clarity and insight than in this powerful account *A Short History of the Russian Revolution* Geoffrey Swain,2017-01-30 In 1917 revolutionary fervour swept through Russia ending centuries of imperial rule and instigating political and social changes that would lead to the formation of the Soviet Union Arising out of proletariat discontent with the Tsarist autocracy and Lenin s proclaimed version of a Marxist ideology the revolutionary period saw a complete overhaul of Russian politics and society and led directly to the ensuing civil war The Soviet Union eventually became the world s first communist state and the events of 1917 proved to be one of the turning points in world history setting in motion a chain of events which would change the entire course of the twentieth century Geoffrey Swain provides a concise yet thorough overview of the revolution and the path to civil war By looking with fresh perspectives on the causes of the revolution as well as the international response Swain provides a new interpretation of the events of 1917 published to coincide with the 100th anniversary of the revolution

Halliday,2016-11-03 The turbulent events that overtook Russia in 1917 are often called one of history s great turning points In March of that year a corrupt outdated careworn autocracy the 300 year old Romanov dynasty was overthrown by a spontaneous uprising of Russia s long oppressed masses During the next few months Alexander Kerensky and other liberals in the provisional government attempted to adopt reforms But the continuing hardships of World War I and the pressure of Vladimir Lenin s Bolsheviks proved too much for them In the relatively bloodless coup d tat of November 7 Lenin and his associates seized control of the state Here from the eminent historian E M Halliday is the dramatic story of the Russian Revolution **The Spanish**
