Russian Revolutions Of 1917 The Origins Of Modern Communism

Nikki R. Keddie

Russian Revolutions Of 1917 The Origins Of Modern Communism:

Russian Revolutions Of 1917 Leonard Schapiro, 1984-06-12 A leading authority on the Soviet Union examines the two revolutions of February and October 1917 which serve as a symbol to socialists and established communism in Russia

The Russian Revolution, 1905-1921 Mark D. Steinberg, 2017 A new history of the Russian Revolution exploring how people experienced it in their own lives from Bloody Sunday in 1905 to the final shots of the civil war in 1921 The Russian Revolution 1905 1921 focuses on human experience to address key issues of inequality power and violence and ideas of justice and freedom

Vladimir Nabokov Brian Boyd, 1990 Cited as one of the best books of 1990 by The New York Times and Time magazine this major biography describes Nabokov's escape from Russia his education at Cambridge and his impoverished years in Germany and France until the coming of Hitler forced him to flee to the United States with his wife and son 56 halftones

Barbarism and Civilization Bernard Wasserstein, 2009 History

A Brief History of Russia Michael Kort, 2008 Serves as a guide to the history and culture of Russia This book details the social economic and political changes and crises that the people of Russia have had to endure It includes a chronology bibliography and suggested readings It also covers the conquest and rule of Russia by the Mongol Golden Horde as well as the reign of terror **Hitler, Stalin, and Mussolini** Bruce F. Pauley, 2014-09-15 The fourth edition of Hitler Stalin and Mussolini Totalitarianism in the Twentieth Century presents an innovative comparison of the origins development and demise of the three forms of totalitarianism that emerged in twentieth century Europe Represents the only book that systematically compares all three infamous dictators of the twentieth century Provides the latest scholarship on the wartime goals of Hitler and Stalin as well as new information on the disintegration of the Soviet empire Compares the early lives of Hitler Stalin and Mussolini their ideologies rise to and consolidation of power and the organization and workings of their dictatorships Features topics organized by themes rather than strictly chronologically Includes a wealth of visual material to support the text as well as a thorough Bibliographical Essay compiled by the author

The Soviet Colossus Michael G. Kort, 2019-04-17 The Soviet Colossus revisits the turning points in Russia's modern history from the fall of the tsarist regime to the establishment of the Bolshevik dictatorship and Stalinist totalitarianism the reforms and counter reforms of Khrushchev and Brezhnev to the reform program of Mikhail Gorbachev and the resultant collapse of the Soviet Union and from the effort to build a democratic and free market Russia under Boris Yeltsin to the political authoritarianism and the establishment of a state capitalist economy under Vladimir Putin This eighth edition has been revised and updated to cover the latest developments from the Putin administration These revisions include added emphasis on the increasing authoritarian nature of Russia's political system the serious challenges posed by the country's unsolved economic and social problems and the growing tensions between Russia on the one hand and the United States and the European Union on the other as a result of Moscow's aggression against Ukraine Kort combines this updated account with a broad exploration of Russia's political history

examining how the Soviet past has been woven into the fabric of the modern Russian state a state which plays such a major assertive role in global affairs but which simultaneously remains an allusive secretive entity With Russia s increasing influence on the global stage and the controversies that often accompany this The Soviet Colossus is an invaluable resource for students of history politics and international relations

To Overthrow the World Sean McMeekin, 2024-09-10 From an award winning historian a new global history of Communism When the USSR collapsed in 1991 the world was certain that Communism was dead Today three decades later it is clear that it was not While Russia may no longer be Communist Communism and sympathy for Communist ideas have proliferated across the globe In *To Overthrow the World* Sean McMeekin investigates the evolution of Communism from a seductive ideal of a classless society into the ruling doctrine of tyrannical regimes Tracing Communism s ascent from theory to practice McMeekin ranges from Karl Marx s writings to the rise and fall of the USSR under Stalin to Mao s rise to power in China to the acceleration of Communist or Communist inspired policies around the world in the twenty first century McMeekin argues however that despite the endurance of Communism it remains deeply unpopular as a political form Where it has arisen it has always arisen by force Blending historical narrative with cutting edge scholarship *To Overthrow the World* revolutionizes our understanding of the evolution of Communism an idea that seemingly cannot die

Behind the Front Lines of the Civil War Vladimir N. Brovkin, 2015-03-08 Countering the powerful myth that the civil war in Russia was largely between the Whites and the Reds Vladimir Brovkin views the struggle as a multifaceted social and political process Brovkin focuses not so much on armies and governments as on the interaction of state institutions political parties and social movements on both Red and White territories In the process he exposes the weaknesses of the various warring factions in a Russia plagued by strikes mutinies desertion and rebellions The Whites benefited from popular resistance to the Reds and the Reds from resistance to the Whites In Brovkin s view neither regime enjoyed popular support Pacification campaigns mass shooting deportations artillery shelling of villages and terror were the essence of the conflict and when the Whites were defeated the war against the Greens the peasant rebels went on Drawing on a remarkable array of previously untapped sources Brovkin convicts the early Bolsheviks of crimes similar to those later committed by Stalin What emerges behind the front lines is a picture of how diverse forces Cossacks Ukrainians Greens Mensheviks and SRs as well as Whites and Bolsheviks created the tragic victory of a party that had no majority support This book has important contemporary implications as the world again asks an old question Can Russian statehood prevail over local regional and national identities Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Mensheviks After October Vladimir N. Brovkin, 1987 The Fullest account to date of the Menshevik party during the first year of Soviet rule Focusing on the period from October 1917 through October 1918 months when the Soviet political system still permitted a degree of electoral competition among political parties he explores the moderate socialists opposition to the Bolsheviks back cover

Soviet Politics Richard Sakwa, 2012-11-12 Soviet Politics in Perspective is a new edition of Richard Sakwa's successful textbook Soviet Politics an introduction Thoroughly revised and updated it builds on the previous editions comprehensive and accessible exploration of the Soviet system from its rise in 1919 to its collapse in 1991 The book is divided into five parts which focus on key aspects of Soviet politics They are historical perspectives beginning with the Tsarist regime on the eve of Revolution the rise and development of Stalinism through to the decline of the regime under Brezhnev and his successors and Gorbachev's attempts to revive the system institutions of Government such as the Communist Party security apparatus the military the justice system local government and participation theoretical approaches to Soviet politics including class and gender politics the role of ideology and the shift from dissent to pluralism key policy areas the command economy and reform nationality politics and foreign and defence policy an evaluation of Soviet rule and reasons for its collapse Providing key texts and bibliographies this book offers the complete history and politics of the Soviet period in a single volume It will be indispensable to students of Soviet and post Soviet politics as well as the interested general reader

World War I Spencer C. Tucker, 2014-10-28 Offering exhaustive coverage detailed analyses and the latest historical interpretations of events this expansive five volume encyclopedia is the most comprehensive and detailed reference source on the First World War available today One hundred years after the beginning of World War I in 1914 this conflict still stands as perhaps the most important event of the 20th century World War I toppled all of the existing empires at the time transformed the Middle East and vaulted the United States to becoming the world's leading economic power Its effects were profound and lasting and included outcomes that led to World War II This multivolume encyclopedia provides a wide ranging examination of World War I that covers all of the important battles key individuals both civilian and military weapons and technologies and diplomatic social political cultural military and economic developments Suitable as a reference tool for high school and undergraduate students as well as faculty members and graduate level researchers World War I The Definitive Encyclopedia and Document Collection offers accessible in depth information and up to date analyses in a format that lends itself to quick and easy use The set comprises alphabetically arranged cross referenced entries accompanied by further reading selections as well as a comprehensive bibliography A fifth volume provides chronologically arranged documents and an A Z index

The Mensheviks after October Vladimir Brovkin, 2018-08-06 In this major contribution to our understanding of the Russian Revolution Vladimir Brovkin provides the fullest account to date of the Menshevik party during the first year of Soviet rule Focusing on the period from October 1917 through October 1918 months when the Soviet political system still permitted a degree of electoral competition among political parties he explores the

moderate socialists opposition to the Bolsheviks Why he asks did the competition between the Bolsheviks and their socialist opponents lead to a violent confrontation And how did their struggle shape the increasingly repressive political system that emerged during this period Brovkin examines several major aspects of Menshevik party history in an effort to discover the organization's place in the revolutionary upheavals that rocked Russian society He analyzes the debates within the party over the best policy for opposing the Bolsheviks and describes the Mensheviks attempt to undermine their rivals by winning the support of the working class He depicts too the struggle for party leadership and the changing composition of the membership Finally Brovkin explores the Mensheviks interactions with their sometime ally the Socialist Revolutionary SR party and other opposition groups and traces the increasingly confrontational competition between the moderate socialists and the Bolsheviks concluding his account with the onslaught of the Red Terror and the first stage of the civil war Drawing on an impressive array of primary sources Brovkin convincingly shows that as the political struggle progressed the Mensheviks together with the SRs were seen as a serious challenge to the Bolsheviks He argues further that the Bolsheviks determination to counter this perceived threat led them to undertake the repressive actions that both crushed their opposition and transformed the Soviet government into a dictatorship

Revolution Rosemary H. T. O'Kane, 2000 All of the major work on the subject of revolutions is collected in this useful set Including work from seminal figures such as Hatto and Gottschalk in the 1940s as well as the most important literature all the way through 1998 the articles reprinted here consider the concept theory and causes of revolution revolutionary state building and the outcomes of revolutions case studies of great revolutions and much more

Historically Inevitable? Tony Brenton, 2016-06-23 Marx held that the progression of society from capitalism to communism was historically inevitable In Russia in 1917 it seemed that Marx's theory was being born out in reality But was the Russian Revolution really inevitable This collection of fourteen contributions from the world's leading Russian scholars attempts to answer the question by looking back at the key turning points of the revolution From the Russo Japanese conflict of 1904-5 through to the appropriation of church property in 1922 and focusing especially on the incredible chain of events in 1917 leading to the October Revolution itself *Historically Inevitable* is a forensic account of Russia's road to revolution Each contribution gives not only a fast paced incisive narrative account of an individual aspect of Revolution but also for the first time an intriguing counterfactual analysis of what might have gone differently Featuring Richard Pipes on the Kornilov affair Orlando Figes on the October Revolution Dominic Lieven on foreign intervention and Martin Sixsmith on the attempted assassination of Lenin in 1918 *Historically Inevitable* explains how each of these moments more through blind luck than any historical inevitability led to the creation of the world's first communist state Tony Brenton's afterword to the volume draws parallels between the Revolution and the ultimate collapse of the Soviet Union in 1991 and places the events of 1917 in the context of more recent events in Russia and the Crimea Featuring contributions from Donald Crawford Sean McMeekin Dominic Lieven Orlando Figes Richard Sakwa Douglas Smith Martin Sixsmith Simon Dixon Boris Kolonitsky

Richard Pipes Edvard Radzinsky Catriona Kelly Erik Landis Evan Mawdsley *The Geopolitics Of Super Power* Colin S. Gray, 2021-10-21 What is Soviet American competition all about Is the Soviet Union a security problem that the United States must solve Or is it an insecurity condition with which the U S must learn to live and if so on what terms What kind of a player is the United States in the great game of power politics In *The Geopolitics of Super Power* one of our most respected strategic theorists answers these and other questions In geopolitical terms Colin Gray sees the Soviet American antagonism as an enduring contest between a continental empire and a maritime coalition each with its distinctive character and purposes Gray explores the roots of the American style in foreign policy and strategy and how that style relates to defense options He identifies four broad alternatives for U S national security policy passive and active means of containment disengagement from foreign security commitments and the rollback of the Soviet empire Gray argues vigorously for active containment for the systematic deemphasis of nuclear weapons and for the intelligent use for deterrence and defense purposes of the West s great competitive strengths in the political economic and technological spheres **Stalin's War** Sean McMeekin, 2021-04-20 A prize winning historian reveals how Stalin not Hitler was the animating force of World War II in this major new history World War II endures in the popular imagination as a heroic struggle between good and evil with villainous Hitler driving its events But Hitler was not in power when the conflict erupted in Asia and he was certainly dead before it ended His armies did not fight in multiple theaters his empire did not span the Eurasian continent and he did not inherit any of the spoils of war That central role belonged to Joseph Stalin The Second World War was not Hitler s war it was Stalin s war Drawing on ambitious new research in Soviet European and US archives Stalin s War revolutionizes our understanding of this global conflict by moving its epicenter to the east Hitler s genocidal ambition may have helped unleash Armageddon but as McMeekin shows the war which emerged in Europe in September 1939 was the one Stalin wanted not Hitler So too did the Pacific war of 1941 1945 fulfill Stalin s goal of unleashing a devastating war of attrition between Japan and the Anglo Saxon capitalist powers he viewed as his ultimate adversary McMeekin also reveals the extent to which Soviet Communism was rescued by the US and Britain s self defeating strategic moves beginning with Lend Lease aid as American and British supply boards agreed almost blindly to every Soviet demand Stalin s war machine McMeekin shows was substantially reliant on American materiel from warplanes tanks trucks jeeps motorcycles fuel ammunition and explosives to industrial inputs and technology transfer to the foodstuffs which fed the Red Army This unreciprocated American generosity gave Stalin s armies the mobile striking power to conquer most of Eurasia from Berlin to Beijing for Communism A groundbreaking reassessment of the Second World War Stalin s War is essential reading for anyone looking to understand the current world order *Victor Serge* Susan Weissman, 2014-05-20 Revolutionary novelist historian anarchist Bolshevik and dissident Victor Serge is one of the most compelling figures of Soviet history Set against some of the momentous events of the twentieth century Victor Serge reveals dauntless vigor of a man whose views often reflect the struggles of our own

time **White Terror** Jamie Bisher, 2006-01-16 This is the gripping story of a forgotten Russia in turmoil when the line between government and organized crime blurred into a chaotic continuum of kleptocracy vengeance and sadism It tells the tale of how in the last days of 1917 a fugitive Cossack captain brashly led seven cohorts into a mutinous garrison at Manchuli a squalid bordertown on Russia's frontier with Manchuria The garrison had gone Red revolted against its officers and become a dangerous ill disciplined mob Nevertheless Cossack Captain Grigori Semionov cleverly harangued the garrison into laying down its arms and boarding a train that carried it back into the Bolsheviks' tenuous territory Through such bold action Semionov and a handful of young Cossack brethren established themselves as the warlords of Eastern Siberia and Russia's Pacific maritime provinces during the next bloody year Like inland pirates they menaced the Trans Siberian Railroad with fleets of armoured trains Cossack cavalry mercenaries and pressgang cannon fodder They undermined Admiral Kolchak's White armies ruthlessly liquidated all Reds terrorized the population sold out to the Japanese and antagonized the American Expeditionary Force and Czech Legion in a frenzied orchestration of the Russian Empire's gotterdammerung Historians have long recognized that Ataman Semionov and Company were a nasty lot This book details precisely how nasty they were

Revolutions Paul Caringella, Glenn Hughes, 2013-02-21 *Revolutions Finished and Unfinished From Primal to Final* is an important philosophical contribution to the study of revolution It not only makes new contributions to the study of particular revolutions but to developing a philosophy of revolution itself Many of the contributors have been inspired by the philosophical approaches of Eric Voegelin or Eugen Rosenstock Huessey and the tension between these two social philosophies adds to the philosophical uniqueness and richness of the work

Russian Revolutions Of 1917 The Origins Of Modern Communism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russian Revolutions Of 1917 The Origins Of Modern Communism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Revolutions Of 1917 The Origins Of Modern Communism has opened up a world of possibilities. Downloading Russian Revolutions Of 1917 The Origins Of Modern Communism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Revolutions Of 1917 The Origins Of Modern Communism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Revolutions Of 1917 The Origins Of Modern Communism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Revolutions Of 1917 The Origins Of Modern Communism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian Revolutions Of 1917 The Origins Of Modern Communism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian Revolutions Of 1917 The Origins Of Modern Communism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on

a journey of continuous learning and intellectual growth.

FAQs About Russian Revolutions Of 1917 The Origins Of Modern Communism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Revolutions Of 1917 The Origins Of Modern Communism is one of the best book in our library for free trial. We provide copy of Russian Revolutions Of 1917 The Origins Of Modern Communism in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Revolutions Of 1917 The Origins Of Modern Communism. Where to download Russian Revolutions Of 1917 The Origins Of Modern Communism online for free? Are you looking for Russian Revolutions Of 1917 The Origins Of Modern Communism PDF? This is definitely going to save you time and cash in something you should think about.
