## **Russians Emerge:**

**The Emergence of Russian Foreign Policy** Leon Rabinovich Aron, Kenneth Martin Jensen, 1994 The emergence of a new Russia a post communist European state with a vast store of nuclear arms raises many complex questions What kind of foreign and defense policies will Russian pursue into the 21st century What will be the impact of the loss of the former empire And what are the implications for western policymakers This volume attempts to answer those questions by examining Russia s relations with the Near Abroad the newly independent states on its borders the Commonwealth of Independent States CIS and its Pacific neighbors as well as its peacekeeping role in the former Soviet states In addition the book explores the historic patterns of Russian foreign policy issues of internationalism accommodation Soviet Russia the Soviet legacy institutional mechanisms for policymaking and the effects of domestic policy The Emergence of Russian Foreign Policy concludes with a discussion of western perceptions of Russian s evolving national security doctrine and the future of Russian American strategic relations

*Russia's Wars of Emergence 1460-1730* Carol Stevens, 2013-09-13 Russia s emergence as a Great Power in the eighteenth century is usually attributed to Peter I s radical programme of Westernising reforms But the Russian military did not simply copy European armies Adapting the tactics of its neighbours on both sides Russia created a powerful strategy of its own integrating steppe defence with European concerns In Russia s Wars of Emergence Carol Belkin Stevens examines the social and political factors underpinning Muscovite military history the eventual success of the Russian Empire and the sacrifices made for power

**Russia and the Russians** Edmund Noble, 1900

Re-emerging Russia Anuradha M. Chenoy, Rajan Kumar, 2017-09-06 This book examines the evolution contexts and politics of the structures and institutions that shape contemporary Russia It analyses the Soviet dissolution revealing the combination of structural and agency factors It traces the re emergence of Russia from a unique perspective that is neither Western nor Eurasian but specifically Indian located in the global South The book looks at key theoretical concepts and practices like democratic centralism that produced an overly centralised and rigid hierarchy within the Communist Party This book assesses the continuities and changes with the Soviet past and the way the Russian regimes of the past two decades have reinvented and reshaped them This book provides a multifaceted interpretation of contemporary Russia for general readers and specialists

**The Encroachments of Russia: Being a Summary History of the Forcible Seizures of Territory by Russia** Russia, 1855

*The Emergence and Development of LGBT Protest Activity in Russia* Radzhana Buyantueva, 2022-10-27 This book draws on social movement theories and rich empirical data to analyze LGBT protest activity in Russia It offers a critical examination of the conditions under which LGBT protest activity arises and declines in authoritarian states including state repression and socio political discrimination of LGBT people policy changes that negatively affect the LGBT community and the motivations of the activists themselves The author argues that a combination of political opportunity structures resources and activists perceptions establish necessary conditions for

protesting If any of these factors are negatively affected then LGBT activists would not be motivated to protest The volume concludes with a discussion of the implications of Russian LGBT activism in hostile conditions This book will be of interest to scholars engaged in human rights social movement studies gender studies LGBT rights and post Soviet politics and societies

*The Russian Cold* Julia Herzberg, Andreas Renner, Ingrid Schierle, 2021-08-13 Cold has long been a fixture of Russian identity both within and beyond the borders of Russia and the Soviet Union even as the ongoing effects of climate change complicate its meaning and cultural salience The Russian Cold assembles fascinating new contributions from a variety of scholarly traditions offering new perspectives on how to understand this mainstay of Russian culture and history In chapters encompassing such diverse topics as polar exploration the Eastern Front in World War II and the iconography of hockey it explores the multiplicity and ambiguity of cold in the Russian context and demonstrates the value of environmental historical research for enriching national and imperial histories

**Political, Economic, and Social Factors Affecting the Development of Russian Statehood: Emerging Research and Opportunities** Ershov, Bogdan, Muhina, Natalia, Ashmarov, Igor, 2019-07-26 The historical development of Russia remains one of the most unique yet ambiguous timelines in the realm of political science and sociology Understanding the state of culture as a single dynamic and interrelated phenomenon is a vital component regarding the memoirs of this prominent nation Political Economic and Social Factors Affecting the Development of Russian Statehood Emerging Research and Opportunities is a collection of innovative research on the historical aspects of the formation of the political system in Russia and proposes directions for the further development of modern Russian statehood While highlighting topics including socio politics Soviet culture and capitalization this book is ideally designed for economists government officials policymakers historians diplomats intelligence specialists political analysts professors students and professionals seeking current research on the history of public administration in Russia

**Two Decades of Re-Emerging Russia: Challenges and Prospects** Mr Sanjay Deshpande, 2015-04-15 Russia has been re emerging as a major political and economic power during the last decade The leadership of Russia claims that the objectives of transition from the former one party socialist system to a plural multiparty democratic system and centralised planning to market economy are largely achieved Russia is politically stable and has demonstrated how new political institutions multiparty system are functioning under three presidents In the initial years after the disintegration of the Soviet Union the Russian economy passed through different phases such as crisis boom and recovery Russia has largely succeeded in managing its political and economic relations with Near Abroad which have witnessed considerable complexities over the last two decades Russia has demonstrated that its bilateral ties with India in the political and defence sectors have been consistently cordial and close However trade and economic relations need to be strengthened Notwithstanding its major achievements Russia has been facing several problems both in its domestic front and in its foreign relations Some of the major problems on the domestic front are over centralisation of power nexus between state authorities

oligarchs and the bureaucracy growing menace of corruption surging political reactions by political parties and some former powerful leaders on various political issues growing social discontent issues between different ethnic groups widening economic disparities among various sections of society and regions On the external front Russia has conflicts of interest with some former Soviet republics such as Georgia Moldova Ukraine and the Baltic states Russia's relations with the US and NATO have been highly critical on political and security related issues There is a need for an objective and critical evaluation of how Russia has managed its domestic and foreign affairs after the collapse of the Soviet Union What were the successes and failures of Russia in its policies and performance with regard to the social political and economic developments in the country This book is an attempt to assess those developments Russia and Ukraine Myroslav Shkandrij, 2001-10-09

Concepts of civilizational superiority and redemptive assimilation widely held among nineteenth century Russian intellectuals helped to form stereotypes of Ukraine and Ukrainians in travel writings textbooks and historical fiction stereotypes that have been reactivated in ensuing decades Both Russian and Ukrainian writers have explored the politics of identity in the post Soviet period but while the canon of Russian imperial thought is well known the tradition of resistance B which in the Ukrainian case can be traced as far back as the meeting of the Russian and Ukrainian polities and cultures of the seventeenth century B is much less familiar Shkandrij demonstrates that Ukrainian literature has been marginalized in the interests of converting readers to imperial and assimilatory designs by emphasizing narratives of reunion and brotherhood and denying alterity

Thank you very much for reading **Russians Emerge**.
