Assessed Russian advances

Claimed Russian control

Claimed Ukrainian counteroffensives

Notes: "Assessed" means the Institute for the Study of War has received reliable and independently verifiable information to demonstrate Russian control or advances in those areas. Russian advances are areas where Russian forces have operated in or launched attacks, but they do not control them. "Claimed" areas are where sources have said control or counteroffensives are occurring, but ISW cannot corroborate nor demonstrate them to be false.
