Now we have updated the covers to these classics but not the words and reissued these timeless reads to let you relive the thrill of discovering a world of romance all over again. *The Turning Point* Christine Jennings has a life other women would envy: a successful husband, beautiful children, a gracious home. She should be fulfilled, grateful, happy. But she is only lonely. Her husband is absorbed in his medical career, her children are leading their own busy lives, and Christine has nothing but a terrible restlessness and an aching need for the haven of a man's loving embrace. So when she meets a handsome, attentive, persistent young man who makes her feel like a woman, not just a wife, she feels her orderly existence collapse in a confusion of duty and desire. Is this what she's been waiting for? Can she find ecstasy through betrayal? Will a lover bring her a lifetime of joy or just the empty fantasy of one night's passion-filled whispers.
