Parker,2003 Yiddish Yoga Lisa Grunberger,2010-10 Meet Ruthie a recently widowed New York City Jewish grandmother who doesn't necessarily come to yoga with the most open of minds But when her granddaughter Stephanie gives her a year of yoga classes as a gift I think it will help you grieve Bubby she doesn't want to risk offending her At first Ruthie is skeptical of yoga and its promise of renewal healing and transformation You know what's wrong with yoga They haven't mastered the art of kvetching She can't resist poking fun at some of the new words and rituals she encounters translating the exotic language of Yoga into the more familiar idiom of her native Yiddish culture As Ruthie's journey progresses from week to week she forges new paths new postures and unexpected friendships slowly overcoming her grief Yiddish Yoga is a poignant witty and human story of love in its many expressions between grandmother and granddaughter between an older woman and her younger yoga teacher between a widow and her beloved husband of fifty years As Ruthie learns to let go of her past without forgetting she shows us how to embrace the present with new vigor strength and courage and above all makes us laugh *Grace & Favor: From Prison to Paid Vol. I* Letitia

Marinova, 2017-06-01 Within recent years a new body of literature has emerged within international relations on
transnationalism and foreign policy This literature has thus far focused on the strategic relationship between home states
and their ethnic lobbies abroad often with regard to remittances to and politics in the home country This book breaks new
ground in that it develops a theory about when how and for what reasons host states use diasporas and the ethnic lobbies
they generate to advance foreign policy goals Ask What You Can Do for Your New Country focuses on a previously
unexamined phenomenon how host governments utilize diasporas to advance their foreign policy agendas in mutually
beneficial ways As was demonstrated in the run up to the 2003 invasion of Iraq when Iraqi exiles testified that Saddam
Hussein possessed weapons of mass destruction ethnic lobbies have been utilized strategically by the United States and
other countries for the promotion of political objectives Host states have even promoted the creation of such ethnic lobbies
for this purpose As Nadejda K Marinova shows those who participate in such lobbies are of a particular subset of migrants who
are politically active express a sustained vision for homeland politics and who often have existing ties to political institutions
within the host state These groups then act as a link between the public and officials in their home state and other generally
less politically active members of the diaspora via a coordinated effort by the host state She develops a theoretical model for
determining the conditions under which a host state will decide to promote and utilize an ethnic lobby and she tests it against
eight cases including the Bush Administration's use of the American Lebanese Cultural Union and the World Council for the
Cedars Revolution in developing policy towards Lebanon and Syria the Iraqi National Congress in endorsing the US invasion
of Iraq the Cuban American Committee's cooperation with the Carter administration in attempting to normalize relations
with Cuba and the International Diaspora Engagement Alliance IdEA launched by Secretary of State Hillary Clinton in 2011
