Ruthleb People:

A Theory of Virtue Robert Merrihew Adams, 2008-10-23 The distinguished philosopher Robert M Adams presents a major work on virtue which is once again a central topic in ethical thought *A Theory of Virtue* is a systematic comprehensive framework for thinking about the moral evaluation of character Many recent attempts to stake out a place in moral philosophy for this concern define virtue in terms of its benefits for the virtuous person or for human society more generally In Part One of this book Adams presents and defends a conception of virtue as intrinsic excellence of character worth prizing for its own sake and not only for its benefits In the other two parts he addresses two challenges to the ancient idea of excellence of character One challenge arises from the importance of altruism in modern ethical thought and the question of what altruism has to do with intrinsic excellence Part Two argues that altruistic benevolence does indeed have a crucial place in excellence of character but that moral virtue should also be expected to involve excellence in being for other goods besides the well being and the rights of other persons It explores relations among cultural goods personal relationships one's own good and the good of others as objects of excellent motives The other challenge the subject of Part Three of the book is typified by doubts about the reality of moral virtue arising from experiments and conclusions in social psychology Adams explores in detail the prospects for an empirically realistic conception of excellence of character as an object of moral aspiration endeavor and education He argues that such a conception will involve renunciation of the ancient thesis of the unity or mutual implication of all virtues and acknowledgment of sufficient moral luck in the development of any individual's character to make virtue very largely a gift rather than an individual achievement though nonetheless excellent and admirable for that

Risky Business William D. Romanowski,2017-07-28 The role of motion pictures in the popularity of rock music became increasingly significant in the latter twentieth century Rock music and its interaction with film is the subject of this significant book that re examines and extends Serge Denisoff s pioneering observations of this relationship Prior to Saturday Night Fever rock music had a limited role in the motion picture business That movie s success and the success of its soundtrack began to change the silver screen

In 1983 with Flashdance the situation drastically evolved and by 1984 ten soundtracks many in the pop rock genre were certified platinum Choosing which rock scores to discuss in this book was a challenging task The authors made selections from seminal films such as The Graduate Easy Rider American Graffiti Saturday Night Fever Help and Dirty Dancing However many productions of the period are significant not because of their success but because of their box office and record store failures Risky Business chronicles the interaction of two major mediums of mass culture in the latter twentieth century This book is essential for those interested in communications popular culture and social change *New York Magazine* ,1986-06-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1986-07-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea How to Manage Jo Owen,2015-08-03 Cuts right through all the myths and mysteries to get straight to the heart of what it really takes to plan organise direct and deliver results *Ken Ham Daily* Ken Ham,2024-12-04 A Powerful Resource to Equip You with Biblical Truths for Everyday Life Ken Ham Daily 365 Musings Inspirations Answers is an essential resource for Christian parents looking to strengthen their family s faith and equip their children to stand firm in today s culture This collection of 365 daily readings by renowned apologist Ken Ham offers a unique opportunity to guide your family through biblical truths that address the most pressing spiritual and cultural issues of our time Perfect for family devotions Ken Ham Daily encourages parents to take the lead in discipling their children With each reading you can easily guide your family through topics like the nature of God salvation the authority of Scripture and the importance of the church These reflections are also a powerful resource for your church community offering daily lessons that can be shared in small groups Bible studies and Sunday school classes Ken Ham s fifty years of ministry experience have culminated in this incredible resource designed to help Christian families like yours live out their faith with confidence Ken Ham Daily isn t just a book it s a tool for cultivating a strong lasting biblical foundation in your home and church Let this resource help you lead your family in faith one day at a time
