The Modern Russian Theater: A Literary and Cultural History Nicholas Rzhevsky,2016-09-16 This comprehensive and original survey of Russian theater in the twentieth century and into the twenty first encompasses the major productions of directors such as Meyerhold Stanislavsky Tovstonogov Dodin and Liubimov that drew from Russian and world literature It is based on a close analysis of adaptations of literary works by Pushkin Dostoevsky Gogol Blok Bulgakov Sholokhov Rasputin Abramov and many others The Modern Russian Stage is the result of more than two decades of research as well as the author's professional experience working with the Russian director Yuri Liubimov in Moscow and London The book traces the transformation of literary works into the brilliant stagecraft that characterizes Russian theater It uses the perspective of theater performances to engage all the important movements of modern Russian culture including modernism socialist realism post modernism and the creative renaissance of the first decades since the Soviet regime's collapse **An**

Anthology of Russian Literature from Earliest Writings to Modern Fiction Nicholas Rzhevsky,2019-09-16 Russia has a rich huge unwieldy cultural tradition How to grasp it This classroom reader is designed to respond to that problem The literary works selected for inclusion in this anthology introduce the core cultural and historic themes of Russia's civilisation Each text has resonance throughout the arts in Rublev's icons Meyerhold's theatre Mousorgsky's operas Prokofiev's symphonies Fokine's choreography and Kandinsky's paintings This material is supported by introductions helpful annotations and bibliographies of resources in all media The reader is intended for use in courses in Russian literature culture and civilisation as well as comparative literature [A History of Russian Literature](#) Andrew Kahn,Mark Naumovich

Lipovetskiĭ,Irina Reyfman,Stephanie Sandler,2018 Russia possesses one of the richest and most admired literatures of Europe reaching back to the eleventh century A History of Russian Literature provides a comprehensive account of Russian writing from its earliest origins in the monastic works of Kiev up to the present day still rife with the creative experiments of post Soviet literary life The volume proceeds chronologically in five parts extending from Kievan Rus in the 11th century to the present day The coverage strikes a balance between extensive overview and in depth thematic focus Parts are organized thematically in chapters which a number of keywords that are important literary concepts that can serve as connecting motifs and case studies in depth discussions of writers institutions and texts that take the reader up close and Visual material

also underscores the interrelation of the word and image at a number of points particularly significant in the medieval period and twentieth century The History addresses major continuities and discontinuities in the history of Russian literature across all periods and in particular bring out trans historical features that contribute to the notion of a national literature The volume s time range has the merit of identifying from the early modern period a vital set of national stereotypes and popular folklore about boundaries space Holy Russia and the charismatic king that offers culturally relevant material to later writers This volume delivers a fresh view on a series of key questions about Russia s literary history by providing new mappings of literary history and a narrative that pursues key concepts rather more than individual authorial careers This holistic narrative underscores the ways in which context and text are densely woven in Russian literature and demonstrates that the most exciting way to understand the canon and the development of tradition is through a discussion of the interrelation of major and minor figures historical events and literary politics literary theory and literary innovation
