S G Unfinished Legacy:

Theory of Subjectivity from a Cultural-Historical Standpoint Daniel Magalhães Goulart, Albertina Mitjáns Martínez, Megan Adams, 2021-06-14 This book examines key ideas related to the Theory of Subjectivity within a cultural historical approach It brings together the intellectual contributions made by Professor Fernando Gonz lez Rey 1949 2019 towards understanding human subjectivity and emphasizing their unfolding in different fields and contexts The book addresses the genesis and development of Gonz lez Rey s work articulating this discussion with the author s biography Gonz lez Rey s main scientific contribution is the Theory of Subjectivity in a cultural historical perspective which is inseparable from Qualitative Epistemology and from its constructive interpretive methodological expression The book presents and discusses Gonz lez Rey s contributions to different contexts and fields such as psychological research education cultural historical psychology human development motivation human health and psychotherapy This book brings together examples of how these ideas have been employed and developed in different fields and contexts

Blue Pawn, Red Pawn and the Communist Party of Vietnam's Gambit for Legitimacy Nguyen Hoang Thanh Danh, 2025-03-10 This is a long awaited book discussing systematically the political system in Vietnam Why has the present political regime continued for such a long period and what are the resources of legitimacy concerning the communist rule The book also covers the recent development in the political scene including the anti corruption campaign and the frequent changes in the top leadership Shiraishi Masaya Emeritus Professor Waseda University Former Chairman Japan Society for Vietnamese Studies As a business journalist at Forbes Vietnam understanding shifts in socioeconomic trends and policymaking processes is crucial for my work I am pleased to endorse this research book on Vietnam politics and the legitimacy building of the one party state s leadership The book delves into the intricate dynamics of the Communist Party of Vietnam s legitimacy which are instrumental in understanding the economic policies and reforms that have shaped Vietnam s growth especially since the Doi Moi era The exploration of current challenges including Western influence corruption governance issues and territorial disputes offers a comprehensive understanding of the pressures faced by the CPV While the book may not be an easy read for the general public it remains a valuable and rare contribution to the study of Vietnam politics an area that in my opinion has not been covered well or frequently enough Nguyen Trong Nam Journalist Forbes Vietnam

Air-Conditioned Nation Revisited: Essays on Singapore Politics Cherian George, 2023-04-27 Think of Singapore instead as the Air Conditioned Nation a society with a unique blend of comfort and central control where people have mastered their environment but at the cost of individual autonomy and at the risk of unsustainability Air Conditioned Nation Revisited is an anthology of essays on Singapore politics by Cherian George It draws upon his influential collection Singapore The Air Conditioned Nation 2000 on the country s politics of comfort and control and from Singapore Incomplete 2017 on its underdeveloped democracy Updated for the impending transition to a new generation of leaders this 20th anniversary edition of Air Conditioned Nation offers critical

reflections on continuity and change in Singapore's unique political culture **New Culture in a New World** David Kenley, 2004-06 During the 1920s China's intellectuals called for a new literature system of thought and orientation towards modern life the May Fourth Movement or the New Culture Movement spilled beyond China to the overseas Chinese communities This work analyzes the New Culture Movement from a diaspora perspective of the overseas Chinese in Singapore **Austrian Economics** Steven Horwitz, 2018-12-03 This book brings together emerging and established scholars to explore the insights that can be gleaned from applying Austrian economics to a range of different topics and a variety of related disciplines from history to politics to public policy One Show Interactive , One Show Interactive Volume IX features all the winners from the 2006 One Show Interactive ceremony Here you'll find images from the best websites banner ads gaming integrated and interactive sites from all over the world The book also includes in depth text and interviews with the creatives and producers behind the Gold Silver and Bronze winning work With four color throughout the One Show Interactive Volume IX is a must have for creatives in interactive advertising students and Web enthusiasts The Money Kings Daniel Schulman, 2024-11-19 The incredible saga of the German Jewish immigrants with now familiar names like Goldman and Sachs Kuhn and Loeb Warburg and Schiff Lehman and Seligman who profoundly influenced the rise of modern finance and so much more from the New York Times best selling author of Sons of Wichita Joseph Seligman arrived in the United States in 1837 with the equivalent of 100 sewn into the lining of his pants Then came the Lehman brothers who would open a general store in Montgomery Alabama Not far behind were Solomon Loeb and Marcus Goldman among the Forty Eighters fleeing a Germany that had relegated Jews to an underclass These industrious immigrants would soon go from peddling trinkets and buying up shopkeepers IOUs to forming what would become some of the largest investment banks in the world Goldman Sachs Kuhn Loeb Lehman Brothers J W Seligman Co They would clash and collaborate with J P Morgan E H Harriman Jay Gould and other famed tycoons of the era And their firms would help to transform the United States from a debtor nation into a financial superpower capitalizing American industry and underwriting some of the twentieth century's quintessential companies like General Motors Macy's and Sears Along the way they would shape the destiny not just of American finance but of the millions of Eastern European Jews who spilled off steamships in New York Harbor in the early 1900s including Daniel Schulman's paternal grandparents In The Money Kings Schulman unspools a sweeping narrative that traces the interconnected origin stories of these financial dynasties He chronicles their paths to Wall Street dominance as they navigated the deeply antisemitic upper class of the Gilded Age and the complexities of the Civil War World War I and the Zionist movement that tested both their burgeoning empires and their identities as Americans Germans and Jews

Straight nation Pavan Mano, 2025-03-04 Straight nation dissects the intricacies of nationalism in postcolonial Singapore and its entanglements with the governance of sexuality Rejecting the romanticization of the nation as a pure bastion of belonging the book theorizes nationalism as a force obsessed with continually generating threats and excavates the alliance

it has struck up with heteronormativity to produce a series of minoritized figures that contemporary identity claims can neither handle nor dispel Through an elegant exploration of a vast array of texts and cultural artifacts the book argues that the relationship between sexuality and nation is instrumental in producing multiple queered figures who are displaced from the national imaginary Dwelling on what is often taken as conventional wisdom Straight nation demonstrates how queerness can be xenologized under the sign of the postcolonial nation and turned into a technology of race gender and class in the right contexts The book delivers a sharp riposte to narrow identity politics and outlines in detail how the governance of sexual expression functions as a powerful mechanism to shape the lives of many including as unlikely as it may seem heterosexual people In the face of the far reaching effects of heteronormativity coupled with nationalism Straight nation presents a compelling argument for an expansive non identarian political critique capable of dismantling the deeply entrenched force of heteronormativity in postcolonial Singapore and the detritus of nationalism along with it *Criminal Genius* James C. Oleson,2016-09-06 This study provides some of the first empirical information about the self reported crimes of adults with genius level IQ scores The study combines quantitative data about 72 different offenses with qualitative data from 44 follow up interviews to describe nine different types of offending violent crime property crime sex crime drug crime white collar crime professional misconduct vehicular crime justice system crime and miscellaneous crime Provided by publisher Medical Social Work In Singapore: Context And Practice Geok Ling Lee,Soon Noi Goh,2020-09-17 Medical social work in Singapore traces its roots to the post war period This textbook documents the historical development and evolution of the medical social work profession in Singapore as well as the specialist work done in the profession The first part of the book gives an overview to the field in Singapore It provides information which is considered as fundamental and core to medical social workers across the various medical or healthcare settings The second part focuses on the selected practice areas and adopts an integral approach to discuss theory and practice This book is essential for social work students who wish to learn from a range of examples of good social work practice presented from human developmental perspectives and in sufficient breadth to provide a reasonable overview of social work practice in health care This book also provides added lens for medical nursing and other allied health students and practitioners who wish to better understand their patients and families
