House. Committee on Appropriations. Subcommittee on Department of Transportation, 1971      **Department of Transportation and Related Agencies Appropriations for 1970** United States. Congress. House. Committee on Appropriations. Subcommittee on Department of Transportation and Related Agencies Appropriations, 1969      **Corporate Welfare** James T. Bennett, 2017-07-05 From the time of Alexander Hamilton s Report on Manufactures through the Great Depression American towns and cities sought to lure footloose companies by offering lavish benefits These ranged from taxpayer financed factories to tax exemptions to outright gifts of money This kind of government aid known as corporate welfare is still around today After establishing its historical foundations James T Bennett reveals four modern manifestations His first case is the epochal debate over government subsidy of a supersonic transport aircraft The second case has its origins in Southern factory relocation programs of the 1930s the practice of state and local governments granting companies taxpayer financed incentives The third is the taking of private property for the enrichment of business interests The fourth export subsidies has its genesis in the New Deal but matured with the growth of the Export Import Bank which subsidizes international business exchanges of America s largest corporate entities Bennett examines the prospects for a successful anti corporate welfare coalition of libertarians free market conservatives Greens and populists The potential for a coalition is out there he argues Whether a canny politician can assemble and maintain it long enough to mount a taxpayer counterattack upon corporate welfare is an intriguing question      *Noise Programs of Professional/Industrial Organizations, Universities, and Colleges* United States. Office of Noise Abatement and Control, 1971      **Department of Transportation and Related Agencies Appropriations for 1971** United States. Congress. House.
