

Sable Night

Miguel de Cervantes Saavedra

Sable Night:

Sable Night Archie Edmiston Roy,1973 **Law by Night** Jonathan Goldberg-Hiller,2023-11-28 In *Law by Night* Jonathan Goldberg Hiller asks what we can learn about modern law and its authority by understanding how it operates in the dark of night He outlines how the social experience and cultural meanings of night promote racialized and gender violence but also make possible freedom of movement for marginalized groups that might be otherwise unavailable during the day Examining nighttime racial violence curfews gun ownership the right to sleep and take back the night rallies Goldberg Hiller demonstrates that liberal legal doctrine lacks a theory of the night that accounts for a nocturnal politics that has historically allowed violence to persist By locating the law s nocturnal limits Goldberg Hiller enriches understandings of how the law reinforces hierarchies of race and gender and foregrounds the night s potential to enliven a more egalitarian social life

The Story of Black John Harvey,2013-07-15 As a color black comes in no other shades it is a single hue with no variation one half of a dichotomy But what it symbolizes envelops the entire spectrum of meaning good and bad *The Story of Black* travels back to the biblical and classical eras to explore the ambiguous relationship the world s cultures have had with this sometimes accursed color examining how black has been used as a tool and a metaphor in a plethora of startling ways John Harvey delves into the color s problematic association with race observing how white Europeans exploited the negative associations people had with the color to enslave millions of black Africans He then looks at the many figurative meanings of black for instance the Greek word melancholia or black bile which defines our dark moods and the ancient Egyptians use of black as the color of death which led to it becoming the standard hue for funereal garb and the clothing of priests churches and cults Considering the innate austerity and gravity of black Harvey reveals how it also became the color of choice for the robes of merchants lawyers and monarchs before gaining popularity with eighteenth and nineteenth century dandies and with Goths and other subcultures today Finally he looks at how artists and designers have applied the color to their work from the earliest cave paintings to Caravaggio Rembrandt and Rothko Asking how a single color can at once embody death evil and glamour *The Story of Black* unearths the secret behind black s continuing power to compel and divide us
