National Rifle Association from the battles of the Revolution to the war in Iraq American Rifle is a must read for history buffs gun collectors soldiers and anyone who seeks to understand the dynamic relationship between the rifle and this nation s history Leslie Marmon Silko Mary Ellen Snodgrass,2014-01-10 This companion appropriate for the lay reader and researcher alike provides analysis of characters plots humor symbols philosophies and classic themes from the writings and tellings of Leslie Marmon Silko the celebrated novelist poet memoirist and Native American wisewoman The text opens with an annotated chronology of Silko s multiracial heritage life and works followed by a family tree of the Leslie Marmon families that clarifies relationships of the people who fill her autobiographical musings In the main text 87 A to Z entries combine literary and cultural commentary with generous citations from primary and secondary sources and comparisons to classic and popular literature Back matter includes a glossary of Pueblo terms and a list of 43 questions for research writing projects and discussion This much needed text will aid both scholars and casual readers interested in the work and career of the first internationally acclaimed native woman author in the United States *Oh What a Slaughter* Larry McMurtry,2010-06-01 A brilliant and riveting history of the famous and infamous massacres that marked the settling of the American West in the nineteenth century In *Oh What a Slaughter* Larry McMurtry has written a unique brilliant and searing history of the bloody massacres that marked and marred the settling of the American West in the nineteenth century and which still provoke immense controversy today Here are the true stories of the West s most terrible massacres Sacramento River Mountain Meadows Sand Creek Marias River Camp Grant and Wounded Knee among others These massacres involved Americans killing Indians but also Indians killing Americans and in the case of the hugely controversial Mountain Meadows Massacre in 1857 Mormons slaughtering a party of American settlers including women and children McMurtry s evocative descriptions of these events recall their full horror and the deep constant apprehension and dread endured by both pioneers and Indians By modern standards the death tolls were often small Custer s famous defeat at Little Big Horn in 1876 was the only encounter to involve more than two hundred dead yet in the thinly populated West of that time the violent extinction of a hundred people had a colossal impact on all sides Though the perpetrators often went unpunished many guilty and traumatized men felt compelled to tell and retell the horrors they had committed From letters and diaries McMurtry has created a moving and swiftly paced narrative as memorable in its way as such classics as Evan S Connell s *Son of the Morning Star* and Dee Brown s *Bury My Heart at Wounded Knee* In Larry McMurtry s own words I have visited all but one of these famous massacre sites the Sacramento River massacre of 1846 is so forgotten that its site near the northern California village of Vina can only be approximated It is no surprise to report that none of the sites are exactly pleasant places to be though the Camp Grant site north of Tucson does have a pretty community college nearby In general the taint that followed the terror still lingers and is still powerful enough to affect locals who happen to live nearby None of the massacres were effectively covered up though the Sacramento River massacre was overlooked for a very long time But the lesson if it is a lesson is that blood in time and

often not that much time will out In case after case the dead have managed to assert a surprising potency The deep constant apprehension which neither the pioneers nor the Indians escaped has it seems to me been too seldom factored in by historians of the settlement era though certainly it saturates the diary literature of the pioneers particularly the diary literature produced by frontier women who were of course the likeliest candidates for rapine and kidnap *Murder at the Mission* Blaine Harden, 2022-04-26 Finalist for the 2022 Will Rogers Medallion Award Terrific Timothy Egan The New York Times A riveting investigation of both American myth making and the real history that lies beneath Claudio Saunt author of *Unworthy Republic* From the New York Times bestselling author of *Escape From Camp 14* a terrifically readable Los Angeles Times account of one of the most persistent alternative facts in American history the story of a missionary a tribe a massacre and a myth that shaped the American West In 1836 two missionaries and their wives were among the first Americans to cross the Rockies by covered wagon on what would become the Oregon Trail Dr Marcus Whitman and Reverend Henry Spalding were headed to present day Washington state and Idaho where they aimed to convert members of the Cayuse and Nez Perce tribes Both would fail spectacularly as missionaries But Spalding would succeed as a propagandist inventing a story that recast his friend as a hero and helped to fuel the massive westward migration that would eventually lead to the devastation of those they had purportedly set out to save As Spalding told it after uncovering a British and Catholic plot to steal the Oregon Territory from the United States Whitman undertook a heroic solo ride across the country to alert the President In fact he had traveled to Washington to save his own job Soon after his return Whitman his wife and eleven others were massacred by a group of Cayuse Though they had ample reason Whitman supported the explosion of white migration that was encroaching on their territory and seemed to blame for a deadly measles outbreak the Cayuse were portrayed as murderous savages Five were executed This fascinating impeccably researched narrative traces the ripple effect of these events across the century that followed While the Cayuse eventually lost the vast majority of their territory thanks to the efforts of Spalding and others who turned the story to their own purposes Whitman was celebrated well into the middle of the 20th century for having saved Oregon Accounts of his heroic exploits appeared in congressional documents The New York Times and Life magazine and became a central founding myth of the Pacific Northwest Exposing the hucksterism and self interest at the root of American myth making *Murder at the Mission* reminds us of the cost of American expansion and of the problems that can arise when history is told only by the victors **The Yankee Road** James D. McNiven, 2022-08-31 Who is a Yankee and where did the term come from Join author Jim McNiven as he explores the emergence and influence of Yankee culture while traversing an old transcontinental highway reaching from the Atlantic to the Pacific US 20 which he nicknames The Yankee Road The Yankee Road Tracing the Journey of the New England Tribe that Created Modern America combines fascinating history with a travel narrative taking the reader on a journey through the places Yankees and their descendants settled as they expanded westward Using a physical road to connect locations important to the Yankee cultural road McNiven takes us

on side trips into individual stories introducing readers to the origins of such large scale and diverse ideas as conservation public education telegraphy mass production religion and labor reform Volume 3 takes us from Chicago the site of the World's Columbian Exposition of 1893 westward across northern Illinois to the Pacific shore at Newport Oregon Along the way we will encounter the social activist and first woman to be awarded the Nobel Prize Jane Addams as well as stories about four famous painters of western scenes Going westward we meet Iowa Civil War heroine Annie Wittenmeyer and scientist Edwards Deming among others In Nebraska there is Doc Middleton King of the horse thieves and the mass entertainers Buffalo Bill Cody Walt Disney and P T Barnum In Wyoming we see grandmother and housewife Louisa Swain who went shopping in downtown Laramie and made history as the first woman in history ever to legally vote in an official election Then it is off along Route 20 to Yellowstone Park and its volcanic wonders The road passes by Rexburg Idaho the birthplace of the inventor of television and then goes into Oregon to Newport named by a Mainer who had good memories of Newport Rhode Island where he vacationed as a child Through these 3 volumes Uncle Sam has accompanied us by hitchhiking then driving an early car past the Pennsylvania hills until the road ends at the Pacific Ocean where he stops to watch Captain Cook's ship the Endeavour pass by on its way north lit by a brilliant sunset
