[Achieving Peace in the Abortion War](#) Ph. D. Rachel M. Macnair, 2008-12 Elections come and go and outcomes depend on events and characters out of the control of any single movement The United States downward trend in abortions however has happened steadily through both Democrat and Republican administrations There are several reasons to believe this is likely to continue The fragility of abortion practice in the United States is

becoming increasingly clear People in other countries may also find useful information in the principles explained here The real life experience of doctors and nurses involved in providing abortion show that they are a weakening link in the abortion chain and this book explains reasons why this is so that depend more on psychology than politics There is also a vital opportunity in understanding the human mind s drive for consistency and its link to behavior When knowing about how abortion practice has begun collapsing people find it safer to hear the case against it and to act in a more constructive way toward the genuine needs of pregnant women The social and psychological dynamics of performing and defending abortions offer many opportunities for stopping widespread feticide The more we understand these the more effective we can be as peacemakers in the abortion war

Thealogy and Embodiment Melissa Raphael,1996-03-01 Thealogy and Embodiment both analyses and contributes to spiritual feminism s postmodern construction of the female body as a metaphor and medium of divine generativity Addressing religious studies and women s studies students and all those interested in contemporary spirituality Raphael counters reformist feminism s recurrent criticism of goddess feminism as naively essentialist and sub political She presents spiritual feminism as a set of religio political manoeuvres that powerfully resist such patriarchal degradations of female natural generativity as environmental destruction weight reducing diets and menstrual taboos

Heimbach,2004-11-09 Daniel Heimbach examines the biblical teachings on sexual morality as well as four counterfeit views that have crept into our sexually revolutionized society He gives us an in depth look at the moral relativism that has spread through our culture and opens our eyes to the effects that nonbiblical sexual choices have on individuals the family the church and the culture The Unholy Trinity Matt Walsh,2017 According to Walsh for years conservatives have worried endlessly about peripheral issues while liberals have been hard at work chipping away at the bedrock of our civilization and putting a new foundation in its place New attitudes on abortion gay marriage and gender identity threaten to become culture defining victories for progressives radically altering not just our politics but dangerously placing Man above God and the self above the good of the whole Amazon.com *Post-Christian* Gene Edward Veith Jr.,2020-01-07 Undaunted Hope in a Post Christian World We live in a post Christian world Contemporary thought claiming to be progressive and liberating attempts to place human beings in God's role as creator lawgiver and savior But these post Christian ways of thinking and living are

running into dead ends and fatal contradictions This timely book demonstrates how the Christian worldview stands firm in a world dedicated to constructing its own knowledge morality and truth Gene Edward Veith Jr points out the problems with how today s culture views humanity God and even reality itself He offers hope filled practical ways believers can live out their faith in a secularist society as a way to recover reality rebuild culture and revive faith *Smash the Patriarchy* Connie Riker, Why Beg for Equality When You Can Burn Their System to Ash Sick of men claiming logic while stealing your labor silencing your pain and policing your body Done playing nice with a society that treats your breasts as public property and your anger as hysterical Ready to weaponize their hypocrisy into your unstoppable revolution Turn abortion into a satanic sacrament that obliterates male control Make C E O s lawmakers and rational men crumble with one scream of unhinged truth Redefine marriage as financial warfare divorce him take everything and laugh Weaponize hypergamy drain men s wallets and sanity as reparations Replace male genius with stolen female labor then bill them for centuries of theft Force toxic masculinity to choke on its own rules Be vulnerable Now shut up and die quietly Transform breastfeeding into a public act of rebellion that terrifies conservatives Build matriarchal communes where men serve as landscapers or get exiled If you want to watch the patriarchy beg for mercy buy this book before men make it illegal *Making Gay Okay* Robert R. Reilly, 2015-09-05 Why are Americans being forced to consider homosexual acts as morally acceptable Why has the US Supreme Court discovered a constitutional right to same sex marriage which until a decade ago was unheard of in the history of Western or any other civilization Where has the gay rights movement come from and how has it so easily conquered America The answers are in the dynamics of the rationalization of sexual misbehavior The power of rationalization the means by which one mentally transforms wrong into right drives the gay rights movement gives it its revolutionary character and makes its advocates indefatigable The homosexual cause moved naturally from a plea for tolerance to cultural conquest because the security of its rationalization requires universal acceptance In other words we all must say that the bad is good At stake in the rationalization of homosexual behavior is reality itself which is why it will have consequences that reach far beyond the issue at hand Already America s major institutions have been transformed its courts its schools its military its civic institutions and even its diplomacy The further institutionalization of homosexuality will mean the triumph of force over reason thus undermining the very foundations of the American Republic **Pagan Threat** Lucas Miles, 2025-09-16 A fearless warrior for Christ Lucas is a man built to stand for the truth in a time of great apostasy Don t just read PAGAN THREAT internalize what it has to say Then share its message with your Christian friends before they are seduced by Paganism themselves We have a faith and a country to save CHARLIE KIRK THERE IS A RISING PAGAN THREAT TO THE CHURCH AND AMERICAN WAY OF LIFE The world does not need a Christianity of convenience or cultural compliance it needs a Christianity that is fervent passionate and unapologetically true For only when we believe with all our hearts that Christ is the way the truth and the life only when we are convinced that the Gospel is not just a set of doctrines but the living

The First Society: The Sacrament of Matrimony and the Restoration of the Social Order Scott Hahn,2018-06-29 Everyone seems to agree that Western Civilization is in trouble The problem is that no one agrees on what has gone wrong or what to do about it Some think we have too much government some not enough some think we have too much capitalism some not enough some think we have too much sexual freedom some not enough But what if the problem is much more fundamental What if the problem goes to the very foundations of who we are as human beings in relationship with God In *The First Society: The Sacrament of Matrimony and the Restoration of the Social Order* Scott Hahn makes the startling claim that our society s ills and its cures are rooted in whether we reject or accept the divine graces made available through the Sacrament of Holy Matrimony Man he argues is social in his very nature We were created for community As it was in the beginning so it remains today The family formed through the Sacrament of Matrimony is the most basic building block of every society whether we like it or not We ve corrupted marriage and so we have a corrupt society If we get marriage right our society through God s grace will flourish This is so because Matrimony like all the sacraments heals and elevates human nature Without marriage our ambitions toward a just social order will remain forever foolhardy With it the seemingly impossible a truly peaceful and humane civilization becomes possible **Abortion and Martyrdom** Aidan Nichols,2002

The horror presented by the increasing institutionalisation of abortion in contemporary society poses some of the strongest moral and theological questions of our time The innocent suffering of children killed in the womb raises fundamental questions This book explores issues raised by the place of these children in the plan of Salvation **The Eighth Sacrament** Mathew John,2017-07-13 This book carefully uncovers the beauty of the sacraments of the Church It tells us how God the master artist who conceives the design of a human being His masterpiece first in His mind makes use of the sacrament of Matrimony as a canvas to realize the design with the cooperation of men and women as His coartists Though the design God had in His

mind was perfect the actual work is imperfect because His coartists who physically portrayed the masterpiece themselves are imperfect But God transforms human beings over the course of time into a masterpiece through the sacraments of the Church God calls a person by his name in the sacrament of Baptism which is the very first divine touch of God upon the soul of an individual the sacrament of Reconciliation is an ongoing bathing in the mercy of God the Lord in the Eucharist feeds us with the divine food and drink for the journey and by eating the body and drinking the blood of the Lord human becomes divine God gives us higher power by the sacrament of Confirmation but it also challenges one to live according to the Spirit the sacrament of the Anointing of the Sick is the last touch of God upon the soul of His masterpiece God calls men into Holy Orders who like the men and women in marriage cooperate with God in carving a person into a masterpiece by administering the sacraments of the Church As the author unveils the striking beauty of the sacraments he also invites readers to delve deep into them to explore the hidden and untapped riches that will change one's life forever **Sex and the Catholic**

Feminist Sue Ellen Browder, 2020-05-06 In *Sex and the Catholic Feminist* Browder challenges the notion that you can't be a feminist and believe in God She echoes John Paul II's call for Catholics to embody a new feminism a radical new view of women's dignity Her goal in this book is to follow one golden thread of feminism in America the pro life thread to show why it has been ignored by the media and left out of public conversation for fifty years For Browder the pro life movement is about more than abortion and contraception it's about loving and respecting all human life While tracing the history of feminism in America Browder discovered at the core of these various feminist movements a search for personhood Where do women place their identity and find their fulfillment Browder ultimately concludes that in our noisy consumerist society placing one's identity anywhere other than in God will prove disappointing and unfulfilling My hope is that some thoughts presented here will spark a new conversation and help heal one of the deepest political divisions in our nation Sue Ellen Browder
