beautiful treatise of St Thomas Aquinas on the adorable Sacrament of the Altar It is hard to know which to admire more the fulness and precision of its arrangement or the way in which he brings in the words of the Holy Ghost from the Sacred Scriptures From this treatise and nearly always in its very words I have arranged these Meditations for the Servants of the Holy Ghost In fact all that was needed was to number or letter the divisions of the book so that they could be easily seen The prayers and thanksgivings I have added I have put the teaching of the Saint by itself and the words of the Holy Ghost by themselves In this I have only carried out what St Thomas has himself done in the treatise For the more part he has after stating and explaining his points put the texts by themselves referring to the first point the second point the third point and so on Putting them all together therefore is only carrying out what this Angelic Saint has done Aeterna Press     *Stained Glass in England During the Middle Ages* Richard Marks,2006-01-16 First published in 1993 The first modern study of the medium this book considers stained glass in relation to architecture and other arts and by examining contemporary documents it throws valuable light on workshop organisation prices and patronage     **Giving** Jerome B.
