

There's An Elephant In The Room

By Adele Penn © 2020

There's an elephant in the room.
And I'm feeling kind of restless, as we begin to chatter, flatter, and commune.
I'd really like to address its presence. Doesn't seem like you've noticed though.
It's really quite a distraction too.

I hope it doesn't cause too much disturbance or damage.
There's no telling what an elephant in the house could do.
If we could just address the issue for a moment and all be aware,
I'd feel much more secure.

There is an elephant in the room. I feel impending doom.
Its shadow is overwhelming with unspoken concern.
If we could just remove it first, Yes, that's what I yearn.
How can we talk about everything else as if this elephant isn't there?
This seems a little risky, as if you don't care.

Well, the conversation has been pleasant, what I could follow of it anyway.
But that elephant in the room just keeps getting in the way.
So please don't take me wrong. But I really can't stay long,
I believe it's time I excuse myself from this elephant in the room.

Sacred Elephant Poetry S

R Sanford

Sacred Elephant Poetry S:

International Who's Who in Poetry 2005 Europa Publications, 2004-08-02 The 13th edition of the International Who's Who in Poetry is a unique and comprehensive guide to the leading lights and freshest talent in poetry today. Containing biographies of more than 4,000 contemporary poets world wide, this essential reference work provides truly international coverage. In addition to the well-known poets, talented up and coming writers are also profiled. Contents: Each entry provides full career history and publication details. An international appendices section lists prizes and past prize winners, organizations, magazines and publishers. A summary of poetic forms and rhyme schemes. The career profile section is supplemented by lists of Poets Laureate, Oxford University professors of poetry, poet winners of the Nobel Prize for Literature, winners of the Pulitzer Prize for American Poetry and of the King's/Queen's Gold medal and other poetry prizes. Cherry Blossom Epiphany -- The Poetry and Philosophy of a Flowering Tree Robin D. Gill, 2006-10. Cherry Blossom Epiphany: the poetry and philosophy of a flowering tree. A selection, translation and lengthy explication of 3000 haiku, waka, senryu and kyōka about a major theme from I P O O H. In Praise Of Olde Haiku by Robin D. Gill. 1. Haiku Translation from Japanese to English. 2. Japanese poetry. 8c-20c waka, haiku and senryu. 3. Natural History: flowering cherries. 4. Japan Culture: Edo Era. 5. Nonfiction Literature. 6. Translation applied. 7. You tell me: If the solemn yet happy New Year's is the most important celebration of Japanese Yamato ethnic culture and the quiet aesthetic practice of Moon viewing in the fall, the most elegant expression of Pan-Asian Buddhism, religion the subject of this book, Blossom viewing, which generally means sitting down together in vast crowds to drink, dance, sing and otherwise enjoy the flowering cherry in full bloom, is less a rite than a riot, a word originally meaning an uproar. The major carnival of the year, it is unusual for being held on a date that is not determined by astronomy, astrology or the accidents of history, as most such events are in literate cultures. It takes place whenever the cherry trees are good and ready. Enjoyed in the flesh, the blossom viewing or hanami is also of the mind, so much so in fact that poetry is often credited with the spread of the practice over the centuries, from the Imperial courts to the maids of Edo. Nobles enjoyed link verse contests presided over by famous poet-judges. Hermits hung poems, fettering this flower of flowers, to say the generic flower hana in Japanese connotes cherry, on strips of paper from the branches of lone trees where only the wind would read them. In the Occident too, flowers embody beauty and serve as reminders of mortality, but there is no flower that like the cherry blossom stands for all flowers. Even the rose, by any name, cannot compare with the sakura in depth and breadth of poetic trope or viewing practice. In Cherry Blossom Epiphany, Robin D. Gill hopes to help readers experience metaphysically some of this alternative world. Haiku is a hyper-short 17 syllable or 7 beat Japanese poem, directly or indirectly touching upon seasonal phenomena, natural or cultural. Literally millions of these ku have been written, some perhaps many times about the flowering cherry sakura and the human activity associated with it, blossom viewing hanami. As the most popular theme in traditional haiku, haikai, cherry blossom ku tend to be overlooked by modern critics more interested in creativity expressed

with fresh subjects but this embarrassment of riches has much to offer the poet who is pushed to come up with something anything different from the rest and allows the editor to select from what is for all practical purposes an infinite number of ku Literary critics take note Like Rise Ye Sea Slugs 2003 and Fly ku 2004 this book not only explores new ways to anthologize poetry but demonstrates the practice of multiple readings an average of two per ku as part of a composite translation turned into an object of art by innovative clustering Book collectors might further note that while Cherry Blossom Epiphany may not be hardback it takes advantage of the many symbols included with Japanese font to introduce design ornamentation the circle within the circle the reverse Buddhist swastika etc hitherto not found in English language print It is a one of a kind work of design by the author

International Who's Who of Authors and Writers 2004 Europa Publications,2003 Accurate and reliable biographical information essential to anyone interested in the world of literature TheInternational Who's Who of Authors and Writersoffers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters
