Sacred Scriptures Of The Japanese:

The Sacred Scriptures of the Japanese Post Wheeler,1986 **The Sacred Scriptures of the Japanese** Post Wheeler,1976 The Sacred Scriptures of the Japanese, by Post Wheeler,... Post Wheeler, **The Sacred Scriptures of the Japanese** Yasumaro Ō,1966 **The Sacred Scriptures of the Japanese, with All Authoritative Variants, Chronologically Arranged, Setting Forth the Narrative of the Creation of the Cosmos, the Divine Descent of the Sky-ancestor of the Imperial House and the Lineage of the Earthly Emperors, to Whom the Sun-Deity Nijongi,**1952

Japanese History & Culture from Ancient to Modern Times John W. Dower,1986 **Japanese Mythology** Jun'ichi Isomae,Mukund Subramanian,2016-04-08 Before the westernisation of Japan mythological events were treated as national history Two key documents have contributed to this history both written over 1300 years ago Kojiki the Tale of Old Age and Nihonshoki the Chronicle of Japanese History Both the Imperial Court and the general public searched for the origin of their identity in these documents which took on the central and sacred role of scripture Through the act of commentary and interpretation the sacred books connected interpreters to their historical origins authenticating where they came from the emergence of the Japanese archipelago and the uniqueness of the Japanese people Japanese Mythology explores the nation's attraction to this act of historical grounding and the varying identities that emerged during different historical periods The study reveals that rather than having any clear and unified substance Japanese mythology has always been the result of a nostalgic desire to retrieve historical origins The Japanese Translations of the Hebrew Bible Doron B. Cohen,2013-01-11

The Japanese Translations of the Hebrew Bible History Inventory and Analysis tells the story of the translation of the Bible into Japanese against the background of the transplanting of Christianity in Japan It includes a detailed inventory of Old Testament translations with linguistic and theological analyses of choice verses *Japanese Studies from Pre-History to 1990* Richard Perren,1992 **Essentials of Shinto** Stuart Picken,1994-11-22 Shinto is finally receiving the attention it deserves as a fundamental component of Japanese culture Nevertheless it remains a remarkably complex and elusive phenomenon to which Western categories of religion do not readily apply A knowledge of Shinto can only proceed from a basic understanding of Japanese shrines and civilization for it is closely intermingled with the Japanese way of life and continues to be a vital natural religion This book is a convenient guide to Shinto thought As a reference work the volume does not offer a detailed critical study of all aspects of Shinto Instead it overviews the essential teachings of Shinto and provides the necessary cultural and historical context for understanding Shinto as a dynamic force in Japanese civilization The book begins with an historical overview of Shinto followed by a discussion of Japanese myths The volume then discusses the role of shrines which are central to Shinto rituals Other portions of the book discuss the various Shinto sects and the evolution of Shinto from the Heian period to the present Because Japanese terms are central to Shinto the work includes a glossary The Japan Magazine ,1914 **The Postwar Development of Japanese Studies in the United States** Helen

Hardacre,2023-07-17 The present volume documents the postwar history of United States scholarship on Japan A careful selection of North American scholars under the general editorship of Helen Hardacre Reischauer Institute Professor of Japanese Religions and Society at Harvard University shows that a range of factors have directed Japanese studies in the United States since 1945 Among these factors are social and political change in Japan and the United States shifts in dominant scholarly concerns about Japan and changing evaluations of area studies The work consists of twelve essays in a wide variety of fields history art religion literature anthropology political science and law Each essay chronicles postwar scholarship in its particular discipline and provides a useful bibliography to serve further reference The general aim of the volume is to put current debates in historical perspective and to help assess the field s achievements It identifies areas requiring more work and charts directions for the future *Bible Society record* ,1916 **The Japan Daily Mail** ,1872
