Sacred Text, Secular Times Leonard Jay Greenspoon, Philip M. and Ethel Klutznick Chair in Jewish Civilization. Symposium, 2000 These 14 papers present a varied exploration of the ways in which the Hebrew Bible has influenced the modern world and the ways in which the modern world has influenced how we read and interpret Sacred Writ **Sacred Text, Secular Times**, 1999 **Maven in Blue Jeans** Steven L. Jacobs, 2009 This collection of academic essays have been written in tribute to Professor Zev Garber and are divided to reflect the areas in which Professor Garber has devoted his teaching and writing energies the Holocaust Jewish Christian relations philosophy and theology history and biblical interpretation **Theologies of Creation** Thomas Jay Oord, 2014-10-02 Humans have long wondered about the origin of the universe And such questions are especially alive today as physicists offer metaphysical theories to account for the emergence of creation Theists have attributed the universe's origin to divine activity and many have said God created something from absolute nothingness The venerable doctrine of creatio ex nihilo especially emphasizes God's initial creating activity Some contributors to this book explore new reasons creatio ex nihilo should continue to be embraced today But other contributors question the viability of creation from nothing and offer alternative initial creation options in its place These new alternatives explore a variety of options in light of recent scientific work new biblical scholarship and both new and old theological traditions **The Cambridge Companion to the Hebrew Bible and Ethics** C. L. W. Barker, Anthony Le Donne, Joel N. Lohr, 2018-07-15 *Found in Translation* is at once a themed volume on the translation of ancient Jewish texts and a Festschrift for Leonard J. Greenspoon, the Philip M. and Ethel Klutznick Professor in Jewish Civilization and professor of classical and near Eastern studies and of theology at Creighton University in Omaha, Nebraska. Greenspoon has made significant contributions to the study of Jewish biblical translations, particularly the ancient translation of the Hebrew Bible into Greek, known as the Septuagint. This volume comprises an internationally renowned group of scholars presenting a wide range of original essays on Bible translation, the influence of culture on biblical translation, Bible translations' reciprocal influence on culture, and the translation of various Jewish texts and collections, especially the Septuagint. Volume editors have painstakingly planned *Found in Translation* to have the broadest scope of any current work on Jewish biblical translation to reflect Greenspoon's broad impact on the field throughout an august career. **Latino Religions and Civic Activism in the United States** Gastón Espinosa, Virgilio P. Elizondo, Jesse Miranda, 2005 Presenting 16 new essays addressing important issues, movements, and personalities in Latino religions in America, this book aims to overthrow the stereotype that Latinos are politically passive and that their churches have supported the status quo, failing to engage in or support the struggle for civil rights and social justice. **Reality According to the Scriptures** José Soto, 2022-10-23 What is the nature of reality according to the Scriptures? What is the nature and purpose of God's creation and of humanity within creation? Did our role change after evil entered the world in Genesis 3, or is it fundamentally the same as at creation? What is the meaning of life according to the Scriptures, and how can such a vision be lived out and conveyed meaningfully in our generation? These are the sorts of questions this book is beginning to address, the first fruits of more than twelve years of research at the intersection of philosophy and biblical studies. *Reality According to the Scriptures* is written by a Christian disciple for Christian disciples: a call for the church to get our story straight, to find ourselves in the narrative world of the Bible, and then do our best to play our part well. EDITORIAL REVIEWS This is one of the best researched works I have ever read. Jos Soto did a great job of compiling all this data to create a masterpiece. Each chapter builds up from the previous one, giving the narrative a smooth flow and making it easier to understand. Soto includes well-researched references and organizes everything beautifully. Apart from its amazing format and structure, it also has a life-changing message. Everyone has their views on reality and the purpose of existence. *Reality According to the Scriptures* presents us with a message about the part we are to play in this world. The message of redemption is that of love, hope, and purpose. What we emit into the world will reflect who we are, and if we do the will of God, we present Him to the world through our work. He lives in all of us, and no matter how far you think you have gone astray, He is always there for each one of us. This is the first volume in the series by Soto, and I can't wait to read more of his work. Luwi Nyakansaila reviewed for Readers Favorite. *Reality According to the Scriptures: Initial Reflections* by Jos Soto explores the concept of reality as it is presented in the scriptures. Soto argues that the biblical understanding of reality emphasizes the interconnectedness of all things and that the

relationships between God humans and the natural world are all integral to the overall fabric of reality Another important theme is the idea that reality is both material and spiritual Reality According to the Scriptures suggests that the scriptures present a holistic view of reality that includes both physical and spiritual dimensions and that these dimensions are inseparable While the narrative style is thought provoking it also challenges us to think deeply about the nature of reality and the scriptures role in shaping our understanding of it I like how the narrative is shaped to be simple yet profound at the same time You don t have to be a Christian to understand this book Theology students will benefit from this straightforward narrative that packs a punch of knowledge I highly recommend it Rabia Tanveer reviewed for Readers Favorite

The Betrayal of the Humanities Bernard M. Levinson, Robert P. Ericksen, 2022-09-06 How did the academy react to the rise dominance and ultimate fall of Germany s Third Reich Did German professors of the humanities have to tell themselves lies about their regime s activities or its victims to sleep at night Did they endorse the regime Or did they look the other way whether out of deliberate denial or out of fear for their own personal safety The Betrayal of the Humanities The University during the Third Reich is a collection of groundbreaking essays that shed light on this previously overlooked piece of history The Betrayal of the Humanities accepts the regrettable news that academics and intellectuals in Nazi Germany betrayed the humanities and explores what went wrong what occurred at the universities and what happened to the major disciplines of the humanities under National Socialism The Betrayal of the Humanities details not only how individual scholars particular departments and even entire universities collaborated with the Nazi regime but also examines the legacy of this era on higher education in Germany In particular it looks at the peculiar position of many German scholars in the post war world having to defend their own work or the work of their mentors while simultaneously not appearing to accept Nazism
