

An abstract painting featuring a woman with long, dark, flowing hair that cascades down her body. She is wearing a light-colored, possibly white, garment. The background is a mix of dark, swirling colors, including deep blues, greens, and browns, creating a sense of movement and depth. The overall style is expressive and somewhat somber.

Jardim, 2016-04-08 Protest is an activity not associated with the pious and collectively minded but more often seen as an activity of the liberal and rebellious Judaism Christianity and Islam are commonly understood as paragons of submission and

obedience following Abraham's example Yet the scriptures of all three faiths are founded in the prophets protesting wrongs in the social order The Qur'an claims that men and women and the relations between them are a sign from God The question is to what extent are women silenced in the text and do they share with men in shaping the prophetic scriptures This book finds that far from silencing women the Qur'an affirms the female voice as protester for justice and as questioner of Theology In this reading of the female role in divine revelation in the Islamic text Georgina Jardim returns to the scriptures of the Judeo-Christian counterpart of the Abrahamic faiths to investigate whether the Bible may claim women as brokers of revelation The result is an enriched understanding of divine communication in the Abrahamic scriptures and a commonplace for reasoning about the female voice as speaker in the Word of God

**Wisdom Insights: Holy Spirit Mother** SN Strutt, 2025-07-28 It has been a great challenge and great pleasure for me to write this book WISDOM INSIGHTS which exposes what has been hidden from people's sight for almost 1700 years since 364 AD It is wonderful to find out that we have a Mother in the godhead of The Trinity The ancient Hebrews mentioned that WISDOM is feminine and She is better known as Holy Spirit Mother or Mother God The early Christians and apostles also talked about the Holy Spirit Mother That knowledge was taken away in 364 AD at the Catholic council of Laodicea Shortly after this the all-masculine Trinity was created There is countless evidence in this book about Holy Spirit Mother as mentioned by many writers Read in this book what the early Christians said about Holy Spirit Mother Even the great king Solomon mentioned that Wisdom is a feminine being and a Goddess or the wife of God the Father They together are the parents of Jesus the Messiah Now that makes a lot more sense than what we have been told about an all-masculine Trinity The big questions are Why hide this knowledge 1700 years ago What was the purpose What were the ruling powers afraid of Please read this book to find out the answers You can read some of my own spiritual experiences in this book in visions dreams and prophecies about Holy Spirit Mother Please tell others what you learn from this book as it contains earthshaking information and proof
