writers of our time      *Romantic Misfits* R. Miles, 2008-10-31 This book explores the false starts and disturbances of Romantic writing in Britain misfits and misfittings as both a constitutive challenge to canonical romanticism and a distinctive literary field worth examining on its own account Misfits include the Shakespeare forger W H Ireland the novel itself and the culture of Dissent      *Anxious Masculinity in the Drama of Arthur Miller and Beyond* Claire Gleitman, 2022-05-19 Staunchly homosocial vaguely or overtly misogynistic anxiously homophobic this study follows the male breadwinner as he is incarnated in Arthur Miller's most celebrated plays and as he resurfaces in different guises throughout American drama from the 1950s to the present Anxious Masculinity offers a compelling analysis of gender dynamics and the legacy of this figure as he stalks through the works of other American dramatists and argues that the gendered anxieties exhibited by their characters are the very ones invoked with such success by Donald Trump Claire Gleitman examines this figure in the plays of Miller and Tennessee Williams as well as later 20th century writers Lorraine Hansberry August Wilson and Sam Shepard who reposition him in more racially and economically marginalized settings He reappears in the more recent work of playwrights Tony Kushner Paula Vogel and collaborators Lisa Kron and Jeanine Tesori who shift their focus to the next generation which seeks to escape his clutches and forge new often gleefully queer identities The final chapter concerns contemporary Black dramatists Suzan Lori Parks Jackie Sibblies Drury and Jeremy O Harris whose plays move us from anxious masculinity to anxious whiteness and speak directly to the current moment      **Sacred Misfits** Mark Blickley, 2004-08 Visitations hallucinations and redemptions figure large in the emotional events of the lives of the characters in Mark Blickley's new short fiction collection Sacred Misfits where we witness souls seeking relief and transformation in something or someone outside of themselves They may take their first steps toward it in spite of madness or because of it against their better judgement or against the strictures of social convention yet the solutions arrived by these marvelously original tenderly examined souls whether they're looking for a miracle relief from loneliness or Marlon Brando have a bit of real magic to them that leave an indelible impression on the reader as well Lucia Nevai      American Literary Misfits D. Berton Emerson, 2024-03-25 The study of nineteenth century American literature has long been tied up with the study of American democracy Just as some regions in the United States are elevated to stand in for the whole nation New England is a good example D Berton Emerson argues the same is true for American literature of the nineteenth century a few canonical texts overrepresent the more motley history of American letters Emerson examines an eclectic group of literary texts that have rarely if ever been considered representative of the nation because of their unseemly characters or plots divergence from dominant literary trends of the era or local particularity These are his literary misfits authors and texts that show different forms of egalitarianism in action that existed outside and even against the dominant liberal narratives of American democracy Emerson's unique contribution is revealing these texts and the people they represent as rich with political knowledge This knowledge he argues finds its most potent expression in the local Such texts show us a different kind of

democratic politics one that is egalitarian disorderly and radical rather than homogeneous      Contesting the Sacred John Eade, Michael J. Sallnow, 2013-05-10 Whether a pilgrimage centers around a place a visionary individual or a text it brings widely diverse individuals and their beliefs doctrines and expectations into contact with each other This important collection assesses the qualities and power of pilgrimage shrines as sites for accommodating various often competing meanings and practices both among pilgrims and between shrine custodians and devotees Contributors discuss the highly organized shrine at Lourdes and also the shrine at San Giovanni Rotondo in Sangiovannesi Italy where conflicting interests among townspeople and pilgrims have crystallized around the life and the remains respectively of a holy man Other contributors consider the competing images of Jerusalem among pilgrims of various Christian faiths Greek Orthodox Roman Catholic and Christian Zionist and explore the unique attributes of shrines in Sri Lanka and Peru A major advance in understanding the complexity of pilgrimage Contesting the Sacred provides valuable insight into the process of exchange between human beings and the divine that gives pilgrimage its central rationale John Eade's new introduction places the book's theoretical frame in the context of recent thinking and writing on pilgrimage and considers the impact of globalization and tourism on pilgrimage cults and sites      *The Spiritual Journey of a Misfit* Francis Dorff, 2016-04-05 As someone who has been guiding people through the catacombs of their own lives for decades Francis Dorff O Praem is uniquely qualified to tell stories that evoke personal experiences of the treasures residing within each of us Readers may recognize      **A Misfit's Manifesto** Donna Gaines, 2007 Gaines is a self-described bourbon guzzling pill popping penis addicted workaholic tattooed Jew with a Ph D and a pistol permit *A Misfit's Manifesto* is about living with the contradictions This is how she did it and found God in all the unlikely places like Ramones songs      **Alternative Rock** Dave Thompson, 2000-11 Provides profiles of solo performers bands producers and record labels from the alternative rock movement ranging from the mid 1970s to the present and includes discographies album reviews and photographs      *Holy Terror* Eric S. Christianson, Christopher Partridge, 2016-04-08 The authors of religious scriptures had little difficulty enhancing sacred narratives with the rhetoric of violence The phenomenon continues in the habitual linkage of violence and religion in contemporary film music and literature *Holy Terror* brings together scholars of religious studies biblical studies film studies and sociology to examine the social function of violence in popular discourse The book questions how violent rhetoric shapes belief and values how audience empathy with violent protagonists can be understood and the significance of the association of violence with particular religious groups and ideas A range of phenomena are analysed including terrorism in Scripture apocalyptic texts in film and violence in sport      The Legend of Princess Twin Star Joe Pegasus, 2006-08 Inca is resurrected A king whose weapon is cocaine whose resource is the lost Inca gold enters the modern day world and the lives of seemingly ordinary people A princess who carries a tattoo around her neck that reveals the secrets to mankind's survival through the horrors predicted for a doomsday scenario The girl is kidnapped to be sold into child slavery and her secrets are stolen Far away the son of a

drug runner is also kidnapped Elsewhere a strange Monsignor buying up snatched children brings the boy and princess together In New York City a power hungry mobster who can read the future gains control over the key to mankind s future A dangerous drug dealer on Long Island enslaves the kidnapped boy s mother All this unfolds with a DEA agent hot on their heels Add to the mix a ragtag police narcotic squad and the race is on to recover the kidnapped children and the key to mankind s survival hidden beneath the princess lacy blouse Alchemy and Mesoamerican intrigue blend in this first of a series of three books Taken into Deep Shadows introduces the characters and their roles in leading a stumbling and misguided world toward the cosmogenesis prophesied for December 21 2012      *Academic Misfits: Questioned Belongings in Higher Education* Magnus Hoppe, Steffi Siegert, Serdar Temiz, Anton Hasselgren, Fatemeh Seifan, 2025-02-18 Academic Misfits Questioned Belongings in Higher Education presents powerful narratives exploring the experiences of academics who want their voices to be heard It highlights aspects of the academic world that need to be and should be changed to allow for more equitable experiences Internationally placed contributors share personal stories of the various ways they have been made to feel out of place in the career path of academia including accounts of discrimination careerism injustices and the weight of bureaucracy This book will connect individuals with shared experiences helping others find comfort strength and community in their feelings of misfitting The authors advocate for more inclusion and independence within academia where individuals aren t forced into categories and are instead given the freedom to think differently and focus on the value they can bring This book is for all those involved in academia especially those interested in a future that does not eject talented individuals because they might not fit in Established field experts are encouraged to foster and take part in developing a sustainable and accepting research environment while doctoral students and PhD candidates are empowered to challenge the barriers limits and unfair treatment that is the status quo      *The Teacher-training Handbook* Robert Perry Shepherd, 1911      **Shrubs and Trees for the Small Place** Peter Jacobus Van Melle, 1953      *The Holy Bad* D.
