into principles Getz helps the reader more easily remember and effectively apply the Bible's wisdom to everyday life. He explains how each of these principles represents a supracultural truth, one that can and should be applied at any moment in history and in every cultural situation. In addition, the Life Essentials Study Bible was created with an integrated digital study system, more than 250 hours of free online coaching content led by Getz that fosters a greater understanding of the Bible's grand story. Along the way, Getz adds pertinent questions in print to inspire personal reflection or group discussion of each principle. There's also an introduction to each book of the Bible and its list of corresponding principles, plus a topical index and cross references for all 1,500 principles. Other features of this dynamic study Bible, available in six different editions, include a two-piece gift box, leather editions only, as well as a presentation page. Owning a copy of this astounding project, containing the prodigious work and wisdom of my friend and mentor Gene Getz, will be like having him in the next room, available to advise me on every passage. Being able to access his video teaching on each of the 1,500 Principles to Live By is a breakthrough approach, making this truly the first multi-media study Bible. What a treasure! I know it will inform my own writing.

Confronting Racial Injustice Gerald Hiestand, Joel Lawrence, 2022-11-30 One of the greatest crises facing the church is the crisis of racial injustice that has so long marred the body of Christ in America Evangelicals have traditionally had a set of biblical theological and cultural tools we have used for dealing with questions about race the necessity of personal responsibility the possibility of heart renewal through faith in Jesus the transformative impact of interpersonal relationships and the bedrock conviction that every human being is made in the image of God and is thus of equal worth and dignity But in the world after 2020 the evangelical church must now recognize that our theological playbook has been ineffective in rooting out racism from the church and in confronting our own complicity in racial injustice We must now ask What other theological convictions are required of us as we consider the image bearing humanity of George Floyd Breonna Taylor Ahmaud Arbery and many others *Confronting Racial Injustice* explores theological vistas to aid the church in our pursuit of racial justice
