societies famous scientists ancient Egyptian mysticism and a fascinating addition to the god versus science debate the Catholic Church By the bestselling authors of *The Templar Revelation* and *Mary Magdalene* *The Forbidden Universe* reveals how the foundations of modern science were based around a desire to destroy the church The great pioneering scientists of the Renaissance and the early Enlightenment including Copernicus Galileo and Sir Isaac Newton were fervent devotees of the philosophical mystical system of Hermeticism Many of the most important scientists of this age including Galileo belonged to a secret society called the Giordanisti which had the agenda to overthrow the Church and establish a new age of Hermetic supremacy *The story of Media, Babylon and Persia, including a study of the Zend-Avest or religion of Zoroaster* Zenaide Alexeievna Ragozin, 1888 **The Story of Media and Babylon from the Fall of Nineveh to the Persian War** Zénaïde Alexeïvna Ragozin, 1889 **Sacred Images and Sacred Power in Byzantium** Gary Vikan, 2003 In these studies Gary Vikan has opened new perspectives on the daily life and material culture of Late Antiquity more specifically on icons and relics and on objects revealing of the world of pilgrimage the early cult of saints and marriage He contextualizes these familiar categories of object in the patterns of belief and ritual extracted from contemporary texts and the objects themselves in order to understand their meaning within the everyday lives of those by whom and for whom they were made The studies give a nuanced delineation of the inherently ambiguous boundary between conventional religion and magic noting repeatedly those instances wherein the two are invoked in the same breath and by way of the same art object toward the same end From this historically constructed matrix of art belief and ritual the author derives an anthropologically defined paradigm of charisma and pilgrimage applied in one essay as an intriguing parallel to deconstructing the world of a contemporary secular saint Elvis Presley
