Document Supply Centre, 1985 *Kant and his German Contemporaries: Volume 2, Aesthetics, History, Politics, and Religion* Daniel O. Dahlstrom, 2018-10-11 Kant's philosophical achievements have long overshadowed those of his German contemporaries often to the point of concealing his contemporaries influence upon him This volume of new essays draws on recent research into the rich complexity of eighteenth century German thought examining key figures in the development of aesthetics and art history the philosophy of history and education political philosophy and the philosophy of religion The essays range over numerous thinkers including Baumgarten Mendelssohn Meyer Winckelmann Herder Schiller Hamann and Fichte showing how they variously influenced challenged and revised Kant's philosophy at times moving it in novel directions unacceptable to the magister himself The volume will be valuable for all who are interested in this distinctive period of German philosophy *Sweet Land of Liberty* Thomas J. Sugrue, 2009-10-13 Sweet Land of Liberty is Thomas J Sugrue's epic account of the abiding quest for racial equality in states from Illinois to New York and of how the intense northern struggle differed from and was inspired by the fight down South Sugrue's panoramic view sweeps from the 1920s to the present more than eighty of the most decisive years in American history He uncovers the forgotten stories of battles to open up lunch counters beaches and movie theaters in the North the untold history of struggles against Jim Crow schools in northern towns the dramatic story of racial conflict in northern cities and suburbs and the long and tangled histories of integration and black power Filled with unforgettable characters and riveting incidents and making use of information and accounts both public and private such as the writings of obscure African American journalists and the records of civil rights and black power groups Sweet Land of Liberty creates an indelible history **The Territorial Papers of the United States** Clarence Edwin Carter, John Porter Bloom, 1939 *The Samuel Gompers Papers* Samuel Gompers, 1986 Volume 10 of the Samuel Gompers Papers focuses on the AFL's struggle to serve the nation and the labor

movement during the critical period when American neutrality gave way to war Beginning with Gompers last minute effort to persuade German workers to avoid war with the United States it follows the labor movement s internal debate over the meaning of American participation and the Executive Council s pragmatic and in some cases reluctant pledge of support offered just weeks before war was declared This volume also charts the evolution of a new relation between organized labor and the federal government Acknowledging organized labor s vital role in the war effort government now supported labor adjustment boards that upheld the eight hour day equal pay for equal work and labor s right to organize and bargain collectively with employers As organized labor s main spokesman in Washington Gompers played a central role in the development of wartime labor policies with an eye to increasing production reducing industrial conflict and advancing labor s wage and hour standards The Territorial Papers of the United States, 1940 **The Cambridge Edition of Early**
