Sg Sociology The Essentials:

The Essential Revolution of Evolutionary Medicine Giacinto Libertini, Graziamaria Corbi, Olga Shubernetskaya, Klara Komici, Nicola Ferrara, 2025-02-24 This book proposes a way to radically renew medicine by extending to medicine the concepts of evolutionary biology The book considers diseases not as unpredictable harmful events but as logical consequences of evolutionary mechanisms In particular a large part of the most widespread diseases that afflict modern populations are interpreted as the consequence of discordances mismatches between new living conditions and the adaptation of our species It discusses the basic concepts as well as diseases deriving from alterations of the genotype and general concepts about diseases deriving from alterations of the ecological niche It also describes diseases deriving from relations with other living beings especially when the ecological niche is altered diseases deriving from conditions beyond the adaptation range and physiological phenomena that cause troubles and suffering or even death A particular study is dedicated to the interpretation of aging and its consequences in normal or altered conditions of the ecological niche The final part of the book describes the implementation of evolutionary medicine This book complementing the Evolutionary Gerontology and Geriatrics book which is also published in this series provides a valuable read for scholars and students in the fields of medicine evolutionary biology preventive medicine and gerontology

A Chinese from Singapore Samuel Wong, 2009-03-23 A young Chinese came to the U S for theological training His goal was to become a pastor teacher in Singapore Upon graduation he returned to Singapore with his Caucasian wife to fulfill his obligations and to do post graduate study concurrently Unwittingly the young couple was entangled in church and secular politics and they had to leave Singapore They began a new life in America At several critical junctures of the protagonists career when he was in a relatively comfortable environment he moved out of the comfort zone to tackle a new challenge in response to a higher calling The detours in his life journey the prejudice and discrimination in the workplace the consistent acts of fairness of people of good will the secrets of his success and the mellowing of his worldview and religious faith are the substance of this unusual book of inspiration For a deeper appreciation of one who has led a life full of challenges a life characterized by many successes against high odds and a life replete with recognitions and awards in secular and religious settings I invite you to read on
