

Ambition and power come together hand by hand. A good example of this is the tragic play "Macbeth", written by the best playwright of all: William Shakespeare. Even though Shakespeare lived in the 15th century, his play is situated in the 11th century and it is a historical event that took place in Scotland. In the tragic play "Macbeth", Shakespeare, uses 3 central elements that influence in the personalities that people of the 11th century had and that is very different from the one we, 20th century people have, evil, ambition and power.

Macbeth, the central character of the play, is a good person, but his personality gives a 90 degrees turn throughout the story. Evil is the worst thing on Earth. It affects everyone. In this drama, evil is represented in the figure of three human beings: Macbeth, Lady Macbeth, and the 3 witches. The number three in the play is a very good clue. Cause it represents the holy threesome that is the father, the son and the holy spirit; and throughout the play we see the number 3 constantly. In order to commit evil, Macbeth gains bravery by two forces that act over him and that are evil: Lady Macbeth and the witches. If Macbeth had met the witches, he would have never committed evil.

A very good example of the manifestation of the power of evil on the play, is the sudden breakdown of Macbeth's personality. At the beginning of the play, Macbeth appears as a hero, he is brave and loyal to his king. Three witches encounter Macbeth and address him as Thane of Cawdor and as the future king.

"First Witch: All hail, Macbeth! Hail to thee, Thane of Glamis! Second Witch: All hail Macbeth! Hail to thee, Thane of Cawdor! Third Witch: All hail, Macbeth, that shalt be king hereafter!" (Shakespeare's Macbeth, Act. 1, Sc. 3 pg. 17) they also tell his friend Banquo that he will not be king that his descendants will rule.

The witches disappear leaving Macbeth pleading for more information. Two messengers from the king arrive and tell Macbeth that he is now Thane of Cawdor. This is the start of the changing in the personality of Macbeth because he contemplates to himself on his ambition to be king, which has been strengthened by these events.

Macbeth is afraid of killing king Duncan, he is afraid about "the even handed justice" (Shakespeare's, Macbeth, Act. 1, Sc. 7, pg. 39) that says that if he kills the king, another person may kill him; but ambition is grater that decency and he commits the murder. Ambition can ruin a person's life and we can see this on this tragic play. Macbeth doesn't want to commit the murder, but his wife, Lady Macbeth, encourages him by saying that he made a promise.

"Lady Macbeth: What beast wasn't, then, that made you break this enterprise to me? When you durst do it, then you were a man; and to be more than what you were, you would be so much more the man. Nor time nor place did then adhere, and yet you would make both. They have made themselves, and that their fitness now does unmake you. I have given suck, and know how tender 'tis to love the babe that milks me. I would, while it was smiling in my face, he plucked my nipple from his boneless gums and dashed the brains out, had I sworn as you have done to this (Shakespeare's Macbeth, Act.1, Sc. 7, Pg. 43).

Macbeth: But wherefore could you speak so against me? Have I not found you a most toady one? You have been a most toady one to me, and I have been a most toady one to you. You have been a most toady one to me, and I have been a most toady one to you.

Lady Macbeth: You are a man of no honor, and I am a woman of no honor. You are a man of no honor, and I am a woman of no honor. You are a man of no honor, and I am a woman of no honor.

Macbeth: You are a woman of no honor, and I am a man of no honor. You are a woman of no honor, and I am a man of no honor. You are a woman of no honor, and I am a man of no honor.

Lady Macbeth: You are a man of no honor, and I am a woman of no honor. You are a man of no honor, and I am a woman of no honor. You are a man of no honor, and I am a woman of no honor.

Macbeth: You are a woman of no honor, and I am a man of no honor. You are a woman of no honor, and I am a man of no honor. You are a woman of no honor, and I am a man of no honor.

Lady Macbeth: You are a man of no honor, and I am a woman of no honor. You are a man of no honor, and I am a woman of no honor. You are a man of no honor, and I am a woman of no honor.

Macbeth: You are a woman of no honor, and I am a man of no honor. You are a woman of no honor, and I am a man of no honor. You are a woman of no honor, and I am a man of no honor.

Shakespeare and the Classics **The Tragic Hero Through Ages** Karuna Shanker Misra, 1992 The Tragic Hero through Ages is an illuminating work on the greatest Greek and English tragedies and their heroes. The first chapter deals with the Greek tragedies and their heroes. The next three chapters study the outstanding pre-Shakespearean, Shakespearean, and post-Shakespearean tragedies and their heroes. The Miltonic and the Byronic heroes have been studied in fifth and sixth chapters respectively. The closing chapter summarizes the whole work, and many undiscovered facts have been brought to light. It is a genuine contribution to the whole theory of Greek and English tragic drama. It embodies the most famous speeches and best scenes from the greatest Greek and English Tragedies, their short summaries, and the lifelike portraits of their heroes. It is a running commentary on the Greek and English tragic drama spreading over a span of 2500 years with all its charm and grandeur. It is a colossal work with the finish of an exquisite piece of jewellery. The Routledge Companion to Shakespeare and Philosophy Craig Bourne, Emily Caddick Bourne, 2018-10-25

Iago's "I am not what I am" epitomises how Shakespeare's work is rich in philosophy, from issues of deception and moral deviance to those concerning the complex nature of the self, the notions of being and identity, and the possibility or impossibility of self-knowledge and knowledge of others. Shakespeare's plays and poems address subjects including ethics, epistemology, metaphysics, philosophy of mind, and social and political philosophy. They also raise major philosophical questions about the nature of theatre, literature, tragedy, representation, and fiction. The Routledge Companion to Shakespeare and Philosophy is the first major guide and reference source to Shakespeare and philosophy. It examines the following important topics: What roles can be played in an approach to Shakespeare by drawing on philosophical frameworks and the work of philosophers? What can philosophical theories of meaning and communication show about the dynamics of Shakespearean interactions and vice versa? How are notions such as political and social obligation, justice, equality, love, agency, and the ethics of interpersonal relationships demonstrated in Shakespeare's works? What do the plays and poems invite us to say about the nature of knowledge, belief, doubt, deception, and epistemic responsibility? How can the ways in which Shakespeare's characters behave illuminate existential issues concerning meaning, absurdity, death, and nothingness? What might Shakespeare's characters and their actions show about the nature of

the self the mind and the identity of individuals How can Shakespeare's works inform philosophical approaches to notions such as beauty humour horror and tragedy How do Shakespeare's works illuminate philosophical questions about the nature of fiction the attitudes and expectations involved in engagement with theatre and the role of acting and actors in creating representations The Routledge Companion to Shakespeare and Philosophy is essential reading for students and researchers in aesthetics philosophy of literature and philosophy of theatre as well as those exploring Shakespeare in disciplines such as literature and theatre and drama studies It is also relevant reading for those in areas of philosophy such as ethics epistemology and philosophy of language
