# Shakespeares Romance Of The Word

**Tom Bishop,Alexa Alice Joubin,Deanne  
Williams**

## **Shakespeare's Romance Of The Word:**

*Shakespeare's Romance of the Word* Maurice Hunt, 1990 This work is a critical study of Pericles Cymbeline The Winter's Tale and The Tempest with a focus on Shakespeare's exploration of language in its destructive potentialities and its redemptive workings

**Shakespeare's Monarchies** Constance Jordan, 2019-05-15 Constance Jordan looks at how Shakespeare through his romances contributed to the cultural debates over the nature of monarchy in Jacobean England Stressing the differences between absolutist and constitutionalist principles of rule Jordan reveals Shakespeare's investment in the idea that a head of state should be responsive to law and not be governed by his unbridled will Conflicts within royal courts which occur in the romances show wives daughters and servants resisting tyrannical husbands fathers masters and monarchs by relying on the authority of conscience These loyal subjects demonstrated to Shakespeare's diverse audiences that the vitality of the body politic its dynastic future and its material productivity depend on a cooperative union of ruler and subject Drawing on representations of servitude and slavery in the humanist and political literature of the period Jordan shows that Shakespeare's abusive rulers suffer as much as they impose on their subjects Shakespeare's Monarchies recognizes the romances as politically inflected texts and confirms Shakespeare's involvement in the public discourse of the period

*The Cambridge Companion to Shakespeare's Last Plays* Catherine M. S. Alexander, 2009-07-16 In this book leading international Shakespeare scholars consider the significant characteristics of Shakespeare's last plays and place them in their Jacobean context

**Shakespearean Romance** Howard M. Felperin, 2015-03-08 If Shakespeare's last plays Pericles Cymbeline The Winter's Tale The Tempest and Henry VIII are to be neither debunked nor idealized but taken seriously on their own terms they must be examined within the traditions and conventions of romance Howard Felperin defines this relatively neglected literary mode and locates these plays within it But as he shows romance was not simply an established genre in which Shakespeare worked at both the beginning and end of his career but a mode of perceiving the world that pervades and shapes his entire work The last plays are examined to answer such questions as How does Shakespeare raise to a higher power the conventions of romance available to him particularly those of the native medieval drama How does he bring us to accept these elements of romance Above all how does romance the mode in which the imagination enjoys its freest expression become the vehicle not of beautiful escapist fantasy but of moral truth Originally published in 1972 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Shakespeare's Last Plays** Stephen W. Smith, Travis Curtright, 2002-01-01 What were Shakespeare's final thoughts on history tragedy and comedy Shakespeare's Last Plays

focuses much needed scholarly attention on Shakespeare's Late Romances. The work, a collection of newly commissioned essays by leading scholars of classical political philosophy and literature, offers careful textual analysis of *Pericles, Prince of Tyre*, *Cymbeline*, *The Winter's Tale*, *The Tempest*, *All is True*, and *The Two Noble Kinsmen*. The essays reveal how Shakespeare's thought in these final works complements, challenges, fulfills, or transforms previously held conceptions of the playwright and his political/philosophical views.

*The Shakespearean International Yearbook* Tom Bishop, Alexa Alice Joubin, Deanne Williams, 2023-12-22. This year publishing its twentieth volume, *The Shakespearean International Yearbook* surveys the present state of Shakespeare studies, addressing issues that are fundamental to our interpretive encounter with Shakespeare's work and his time across the whole spectrum of his literary output. Contributions are solicited from scholars across the field from both hemispheres of the globe. New trends are evaluated from the point of view of established scholarship, and emerging work in the field is encouraged. Each issue includes a special section under the guidance of a specialist Guest Editor, along with coverage of the current state of the field in other aspects. An essential reference tool for scholars of early modern literature and culture, this annual publication captures from year to year current and developing thought in Shakespeare scholarship and theater practice worldwide. There is a particular emphasis on Shakespeare studies in global contexts.

**Shakespeare and the Grace of Words** Valentin Gerlier, 2022-05-29. Crossing the boundaries between literature, philosophy, and theology, *Shakespeare and the Grace of Words* pioneers a reading strategy that approaches language as grounded in praise that is as affirmation and articulation of the goodness of Being. Offering a metaphysically astute theology of language grounded in the thought of Renaissance theologian Nicholas of Cusa, as well as readings of Shakespeare that instantiate and complement its approach, this book shows that language in which the divine gift of Being is received, apprehended, and expressed even amidst darkness and despair is language that can renew our relationship with one another and with the things and beings of the world. *Shakespeare and the Grace of Words* aims to engage the reader in detailed performative close readings while exploring the metaphysical and theological contours of Shakespeare's art as a venture into a poetic illumination of the deep grammar of the real.

*Shakespeare* David M. Bergeron, Geraldo U. de Sousa, 1987. This updated edition should be welcomed by anyone interested in Shakespeare. Particularly useful are its pithy introductions and bibliographies on various critical approaches. David Bevington, editor of *Complete Works of Shakespeare*. A handy compact map to the changing and contested field of Shakespeare studies. Bruce R. Smith, author of *Homosexual Desire in Shakespeare's England*. Copyright Libri GmbH. All rights reserved.

*Shakespeare's Strangers and English Law* Paul Raffield, 2023-01-26. Through analysis of 5 plays by Shakespeare, Paul Raffield examines what it meant to be a stranger to English law in the late Elizabethan and early Jacobean period. The numbers of strangers increased dramatically in the late sixteenth century as refugees fled religious persecution in continental Europe and sought sanctuary in Protestant England. In the context of this book, strangers are not only persons ethnically or racially different from their English counterparts, but they are immigrants.

refugees or visitors The term also includes those who transgress or are simply excluded by their status from established legal norms by virtue of their faith sexuality or mode of employment Each chapter investigates a particular category of stranger Topics include the treatment of actors in late Elizabethan England and the punishment of counterfeits Measure for Measure the standing of refugees under English law and the reception of these people by the indigenous population The Comedy of Errors the establishment of Troynovant as an international trading centre on the banks of the Thames Troilus and Cressida the role of law and the state in determining the rights of citizens and aliens The Merchant of Venice and the disenfranchised estranged position of the citizen in a dysfunctional society and an acephalous realm King Lear This is the third sole authored book by Paul Raffield on the subject of Shakespeare and the Law The others are Shakespeare's Imaginary Constitution Late Elizabethan Politics and the Theatre of Law 2010 and The Art of Law in Shakespeare 2017 both published by Hart Bloomsbury

The Plays of Shakespeare Victor L. Cahn, 2000-10-30 Touching viewers and readers with his presentation of social moral and political issues Shakespeare holds ageless and unequalled appeal primarily because of the universal themes at the heart of his dramatic works Shakespeare scholar Victor Cahn takes a unique approach to exploring the plays by identifying and explicating the themes that recur throughout the canon Written in lively language each of the 35 essays explores a core theme or topic and discusses its implications in several key plays in which it figures prominently This user friendly guide not only allows readers to better understand the significance of concepts such as power politics marriage or money the organization by theme also helps users to compare and contrast these important topics across relevant plays Cahn draws vivid connections between related works of Shakespeare but just as importantly enlightens readers as to the pertinence of these themes in contemporary life While this thematic guide examines all of Shakespeare's plays particular attention is devoted to those works most often read by students the tragedies such as Romeo and Juliet Julius Caesar Hamlet and Macbeth the comedies including A Midsummer Night's Dream and Merchant of Venice as well as the historical plays like Richard II and the romantic works such as The Tempest Students who wish to investigate a particular play in greater depth can refer to this book's title index to identify all citations of that work This valuable literary resource serves myriad uses enabling students to trace the thread of a theme to compare its treatment in several plays and to understand better a play its characters plot and language by examining Shakespeare's central themes
