Shakespeare's Henry VIII A Study:

A Study of Shakespeare's Henry VIII. Cumberland Clark, 1931 *A Study of Shakespeare's Henry VIII* Cumberland Clark, 1931 Excerpt from *A Study of Shakespeare's Henry VIII* King John is in the nature of a Prologue A strong antipathy to the power of the Church and the authority of Rome is expressed in this play and the subject is then dropped until it is taken up again in the relation of the struggle between the adherents of the Old Faith and the New in Henry VIII which may be described as the epilogue to the historical dramas Shakespeare ends his sequence with the christening of the infant Princess Elizabeth at the actual dawn of what was the modern era of his own day this little one shall make it holiday runs the last line of the King's speech which concludes the play In an age very soon after that of the old Miracle and Mystery Plays which were designed to teach the multitudes Biblical stories and history in the only way they could comprehend them visually the Dramatist taught his contemporaries the stirring history of their own land for the past hundred and fifty years covering a period of the greatest importance and interest in the chronicles of this country since the Norman Conquest Shakespeare was a close and accurate copyist wherever the plot of his drama was founded on historic fact as set forth by an historian But with the alchemy of his genius he transformed the sober narratives of Holinshed Hall and Cavendish into a moving pageant of that colourful epoch The imagination of the Poet clothed the dry facts with an inspiring splendour a nobility and moving tragedy which metamorphosed them and imbued them with human interest About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **STUDY OF**
