Shall We Tell the President? Jeffrey Archer, 2008-12-30 Can FBI Special Agent Mark Andrews save the first woman president in America and unravel a ruthless conspiracy in less than one week **Shall We Tell The President: Kane and Abel Book 3** Jeffrey Archer, 2003-09-01 6 days 13 hours and 37 minutes to go At the end of The Prodigal Daughter Florentyna Kane is elected President the first woman President of the United States At 7 30 one evening the FBI learn of a plot to kill her the 1572nd such threat of the year At 8 30 five people know all the details By 9 30 four of them are dead FBI agent Mark Andrews alone knows when He also knows that a senator is involved He has six days to learn where and how Six days to prevent the certain death of the President What Shall We Tell the Children? Stuart J. Foster, Keith A. Crawford, 2006-04-01 The pages of this book illustrate that as instruments of socialization and sites of ideological discourse textbooks are powerful artefacts in introducing young people to a specific historical cultural and socioeconomic order Crucially exploring the social construction of school textbooks and the messages they impart provides an important context from within which to critically investigate the dynamics underlying the cultural politics of education and the social movements that form it and which are formed by it The school curriculum is essentially the knowledge system of a society incorporating its values and its dominant ideology The curriculum is not our knowledge born of a broad hegemonic consensus rather it is a battleground in which cultural authority and the right to define what is labelled legitimate knowledge is fought over As each chapter in this book illustrates curriculum as theory and practice has never been and can never be divorced from the ethical economic political and cultural conflicts of society which impact so deeply upon it We cannot escape the clear implication that questions about what knowledge is of most worth and about how it should be organized and taught are problematic contentious and very serious **Shall We Tell President?** Archer Jeffrey, 2013-02-01 *The News*, 2004 *Plays of To-day: Chains*, by Elizabeth Baker. *Abraham Lincoln*, by John Drinkwater. *Jane Clegg*, by St. John Ervine. *The Voysey inheritance*, by H.
