Shaman Laughs:

The Shaman Laughs James D. Doss, 2025-08-22 Charlie Moon is no stranger to the mysterious ways of the spirit world But why is prize livestock being ritualistically butchered in the Canyon of the Spirit That's what Granite Creek's chief of police Scott Parish wants to find out before human blood begins to spill Enter Moon's aunt and aging Ute shaman Daisy Perika For only she who communes with the ancient spirits can truly comprehend the events that have happened upon Native American lands and the even greater evil that is yet to be unleashed In *The Shaman Laughs* James D Doss delivers another fascinating Charlie Moon mystery Angalkut/Shamans in Yup'ik Oral Tradition Ann Fienup-Riordan, 2025 This book documents experiences and cultural practices of the Yup'ik people of southwest Alaska including discussions about shamans and their roles within the Yup'ik community Conversations in the Yup'ik language are featured in the bilingual sections of the text Provided by publisher

The Shaman's Game James D. Doss, 2009-10-13 For tribes of the American Southwest the annual Sun Dance is among the most solemn and sacred of rituals But lately Death has been an uninvited guest at the hallowed rite Ute tribal policeman Charlie Moon is puzzled The deceased Sun Dancers sustained no visible life ending injuries so he is reluctant to call it murder though there is surely nothing natural about the sudden inexplicable deaths of two strong and healthy men Unlike her skeptical nephew however Charlie's aunt shaman Daisy Perika trusts the signs the spirits have sent her of a great evil in their midst And Moon's matukach friend Police Chief Scott Parris believes the stubborn good natured Ute lawman should look beyond the rational for answers Yet Charlie Moon knows too well that hatred bitterness and delusion are often behind lethal acts and he hopes these very human failings will reveal to him a killer But now a beautiful childhood friend has stepped into harm's way and time is running out For death is on the prowl once more and it will surely darken the Sun Dance again

Qaluyaarmiuni Nunamtenek Qanemciput / Our Nelson Island Stories Ann Fienup-Riordan, 2011-07-07 In this volume Nelson Island elders describe hundreds of traditionally important places in the landscape from camp and village sites to tiny sloughs and deep ocean channels contextualizing them through stories of how people interacted with them in the past and continue to know them today The stories both provide a rich descriptive historical record and detail the ways in which land use has changed over time Nelson Islanders maintained a strongly Yup'ik worldview and subsistence lifestyle through the 1940s living in small settlements and moving with the seasonal cycle of plant and animal abundances The last sixty years have brought dramatic changes including the concentration of people into five permanent year round villages The elders have mapped significant places to help perpetuate an active relationship between the land and their people who despite the immobility of their villages continue to rely on the fluctuating bounty of the Bering Sea coastal environment

Murder on the Reservation Ray B. Browne, 2004-06-30 In *Murder on the Reservation* Ray B Browne surveys the work of several of the best known writers of crime fiction involving Indian characters and references virtually every book that qualifies as an Indian related mystery Browne believes that within the genre of crime fiction all

people are equal and the increasing role of Indian characters in criminal fiction proves what an important role this genre plays as a powerful democratizing force in American society He endeavors to both analyze and evaluate the individual work of the authors and at the same time provide a commentary on the various attitudes towards race relations in the United States that each author presents Some Indian fiction is intended to right the wrongs the authors feel have been leveled against Indians Other authors use Indian lore and Indian locales as exotic elements and locations for the entertaining and commercially successful stories they want to write Browne s analysis includes authors and works of all backgrounds with mysteries of first class murder both on and off the reservation *AHANU He Who Laughs* L.
