## **Shamanism For The New Age A Guide To Radionics And Radiesthesia:**

**Shamanism for the New Age** Jane E. Hartman, 1987 This is a thoughtful very useful book about an energy system technique very little explored by the American public It teaches radiesthesia or dowsing for health radionics a system of healing analysis thorough the use of mind patterns The book is neither too heavy or lengthy but full of help information guidance Both techniques are used extensively abroad The author introduces in a very readable way background information discussion about recent energy research beginning with all is energy Esoteric material is also presented drawing heavily upon the Alice Bailey classics Much of the information has been known for years but the author brings it together in a useful way for those who wish to understand learn The relationship to shamanism is clearly explained in the Introduction using the broad application of the word Harner writes Shamanism represents the most widespread ancient methodological system of mind body healing known to humanity The techniques discussed in this book may fall into the Shamanistic category because they include the manipulation of energy forces by the practitioner Dowsing is a technique has been used world over for ages Dowsing in the health area is another form was developed by French priests generation ago It is called radiesthesia Radionics on the other hand utilizes instruments powered by the practitioners mind with some amazing results In the UK practitioners of this discipline are very active compared to those in the USA The author guides the reader through beginning steps of both techniques with many interesting practice exercises Explanations are lucid useful related modalities are also covered Discussions include 7 ray analysis of personality 7 progress homeopathy 7 other energy techniques gem remedies color others All can be utilized in radionics using dowsing as a guide tool in analysis **Psychotronics and a Biodynamic**

**Garden** George Kuepper, 2021-04-06 Dowsing and radionics are two practices and procedures for interpreting and interacting with the natural world They nurture the processes of gardening farming and landscaping through communication with subtle levels of reality Nature spirits and other forms of intelligence in nature play major roles They can be readily contacted and nourished when we combine psychotronic methods with the traditional practices of a biodynamic approach George Kuepper describes and discusses numerous procedures that have evolved from decades of working with agricultural radionics and recent research in his biodynamic garden This guidebook to growing better food is well referenced with numerous illustrations photos tables and examples Gardeners and farmers who want to improve their plants and harvests using sustainable methods will find practical help and much food for thought here Psychotronics covers a range of modalities including dowsing and radionics that can be used to access and study the hidden reality behind our physical world It provides us with practical means for investigating navigating and even changing this reality Without a doubt psychotronics is controversial and the amount of misinformation and disinformation surrounding it is dizzying So understand that what I m presenting here is a working paradigm It will explain how I have come to understand psychotronics and how I am using it George Kuepper from the book Includes 55 illustrations diagrams and charts **Energetic Processes** Peter
