Schallig, 2022-04-26 This is a story of a three year old caught up in the horrors of World War II The quiet time in the Dutch East Indies now called Indonesia was replaced by the ravages of war and Japanese concentration camps We spent three and a half years in three horrid camps My mother was responsible for three children including myself and Grandma We ate any creeping or slimy creature trying to stay alive until we were saved by two atomic bombs The Indonesians declared independence on August 17 1945 Our family was then endangered by murdering youth gangs who roamed the island of Java We could not go back to our plantation My father saw handwriting on the wall and immediately began the process to

immigrate to the United States This was very difficult since we were stateless He was arrested and jailed for allegedly being a Nazi sympathizer without any due process We finally received the requisite papers to board the American President Lines ship The Jefferson We sailed to the United States in March and arrived at San Pedro in April after a five week journey at sea Our family experienced culture shock when we finally came ashore My long journey is a story of all the funny things I did as I grew up including adventures in a Dutch colony and learning to be an American You will have fun when you read my exploits with successes and many surprising endings We hope that you will appreciate the American dream I realized in my long journey
