**Evangelicals Engaging in Practical Theology** Helen Morris, Helen Cameron, 2022-03-30 This book aims to introduce a distinctively evangelical voice to the discipline of practical theology Evangelicals have sometimes seen practical theology as primarily a liberal project This collection however actively engages with practical theology from an evangelical perspective both through discussion of the substantive issues and by providing examples of practical theology done by evangelicals in the classroom the church and beyond This volume brings together established and emerging voices to debate the growing role which practical theology is playing in evangelical and Pentecostal circles Chapters begin by addressing methodological concerns before moving into areas of practice Additionally there are four short papers from students who make use of practical theology to reflect upon their own practice Issues of authority and normativity are tackled head on in a way that will inform the debate both within and beyond evangelicalism This book will therefore be of keen interest to scholars of practical evangelical and Pentecostal theology

**The Shape of Practical Theology** Ray Sherman Anderson, 1999 *Christopraxis* Andrew Root, 2014 Since the late 1970 s practical theology has had a significant voice and influence in the academy While many have seen great hope and potential in this work not everyone has agreed Some for instance have examined the conversation and found by focusing on the concrete and lived experiences of humanity by and large practical theology has not had the theological vision to present frameworks for understanding concrete and lived experience with divine action So argues Andrew Root who in *Christopraxis* seeks to reset the entire edifice of practical theology on a new foundation While not minimizing practical theology s commitment to the lived and concrete Root argues that practical theology has neglected deeper theological underpinnings

and seeks to create a practical theology that seeks to be fully post postmodern post Aristotelian and that in seeking to attend to doctrines such as divine action and justification is properly and fully theological Postfoundationalist Reflections in Practical Theology Brian C. Macallan, 2014-06-09 Postfoundationalist Reflections in Practical Theology seeks to explore the implications of a Postfoundationalist theology for the discipline of Practical Theology While moving beyond the modernist and postmodernist debates it charts a way forward for a theology that is bound by neither relativism nor certainty It believes that Practical Theology is well suited to this task by its very nature and methodology **Journal of Biblical and Theological Studies, Issue 3.1** Daniel S.
