

The Cross-Shaped God

In the incarnate Christ, we do not witness an anomaly, but the reality of who our God is; the all powerful creator who opens Himself to vulnerability, voluntarily empties self to relate with man, and legitimately suffers for the good of others.

Shaped By God:

Shaped by God Max Lucado, 2002 Forty nine short inspirational stories offer encouragement to people who find themselves facing struggles being tempered and crafted into the image of God through challenging circumstances Beautiful gift book previously published as *On the Anvil* **Shaped by God** John Piper, 2017-04 God wants your heart The Psalms are in a category of their own They are not just commanding they are contagious And they can change us Tears affliction shame regret grief anger discouragement turmoil we hear all these cries we feel their overflow and we see that all these things happen in relation to our totally sovereign God **The God-Shaped Heart** Timothy R. MD Jennings, 2017-09-05 The key to spiritual and emotional health is to grasp the truth of God's transforming love for us and then let that reality influence our own hearts and relationships It seems simple but we are experts at complicating simple things Instead of living lives characterized by love we find ourselves trapped in cycles of shame violence and addiction that steal our joy and keep us from loving others so much so that by all indications Christians are living no differently than anyone else when it comes to abuse rates use of pornography alcohol and drug addiction and more Christian psychiatrist Dr Timothy Jennings wants to release us from this prison With powerful illustrations from case studies and from Scripture Jennings shows believers who are stuck in addiction violence fear and broken relationships how to experience true freedom through God's transforming love to experience greater health fulfillment and well being **Shaped by God's Promises** Shannon Popkin, 2024-06-29 Discover a God who is faithfully working even when you can't see it In this 6 week Bible study on the life of Sarah women of all ages will resonate with her doubts worries and fears while also seeing how hardships and heartaches are ultimately used to reveal God's unfailing promises When the chaos of life threatens your peace learn to resist the temptation to take matters into your own hands and trust that God is in complete control *Holy Ambition* Chip Ingram, 2022-03-01 God is a doer of great things Isn't it time you joined His big plans Human ambition is often rooted in pride But holy ambition That's something else When your ambitions aren't about your own glory but God's you'll find Him to be a source of empowerment that you can't get anywhere else Pastor and radio teacher Chip Ingram invites you into something more daring than your current life Holy Ambition takes you to the biblical story of Nehemiah a humble servant of the king who became a leader of his people Nehemiah could have kept his comfortable position in the palace but instead he chose a radical path that allowed him to do amazing things for God You can too But you're going to have to take some risks And that means you've got to put aside fear or pride and start acting on your holy ambitions It's time for the church to be what God wants a people who will let Him do a powerful work in them and through them No more living in the boring middle Start living on the edge of God's groundbreaking work and experience the exuberance of being on mission for Him **Shaped by Grace** Max Lucado, 2012-09-10 A perfect pass along companion to Grace an introduction of a message that is more than people deserve and greater than anyone can imagine Including a clear presentation of the Gospel message this booklet offers the perfect starting point on a lifetime of grace discovery A

Human-Shaped God Charles Halton, 2021-10-26 A Human Shaped God approaches the humanlike accounts of God in the Old Testament as the starting places for theology and uses them to build a picture of the divine This understanding of God is then brought into conversation with traditional conceptions that depict God as a being who knows everything that happens is at every place at the same time is constant and unchanging and does not ultimately have material form But instead of pitting the Old Testament s humanlike view of God against traditional theology and assuming that only one of these understandings is correct A Human Shaped God posits that theologians should embrace both of these constructions simultaneously This is a new way of theological inquiry that embraces both the humanlike characteristics of God and the transcendence of God in traditional theology By seeing and understanding the humanlike depictions of God in the Old Testament and by using the rich language of traditional theology together in tandem the reader acquires a much deeper and meaningful understanding of God

Shaped by God's Love, 1990 **Shaped by God** Judy Douglass, 2018 **Does God Matter?** Klaas Kraay, 2017-12-14 Does God Matter features eleven original essays written by prominent philosophers of religion that address this very important yet surprisingly neglected question One natural way to approach this question is to seek to understand what difference God s existence would or does make to the value of the world and the well being of its inhabitants The first essay sets the stage for the discussion of this topic The three essays in Section I defend versions of pro theism the view that God s existence would or does make things better than they would otherwise be The four essays in Section II defend anti theism the view that God s existence would or does make things worse than they would otherwise be The three essays in Section III consider the interplay between the existential and axiological debates concerning the existence of God This book presents important research on a growing topic in philosophy of religion that will also be of keen interest to scholars working in other areas of philosophy such as metaphysics epistemology and value theory and in other disciplines such as religious studies and analytic theology
