Share the Sky Regina Mirra, 2018-01-12 Did you ever wonder why the moon moves in front of the sun and blocks the sun's light from time to time Did you ever wonder why the stars sometimes shoot across the sky leaving a trail of shiny glitter Why do the clouds become noisy and dark and sometimes shoot bright lightning bolts towards the earth and into the sky Why can't it be light outside all the time Some of these things can be very confusing and even sometimes scary Share the Sky is the story of why these things happen _____ Share the Sky tells a story with an important purpose and a message The storyline is not just an entertaining tale for children but also a story that can help alleviate childhood anxieties fear of storms lightning thunder the dark at a time when some young children typically struggle with these happenings Share the Sky also reinforces the concept of sharing at a time that is crucial in child development Share the Sky story with your child

We Share the Same Sky Rachael Cerrotti, 2021-08-17 In 2009 Rachael Cerrotti a college student pursuing a career in photojournalism asked her grandmother Hana if she could record her story Rachael knew that her grandmother was a Holocaust survivor and the only one in her family alive at the end of the war Rachael also knew that she survived because of the kindness of strangers It wasn't a secret Hana spoke about her history publicly and regularly But Rachael wanted to document it as only a granddaughter could So that's what they did Hana talked and Rachael wrote Upon Hana's passing in 2010 Rachael discovered an incredible archive of her life There were preserved albums and hundreds of photographs dating back to the 1920s There were letters waiting to be translated journals diaries deportation and immigration papers as well as creative writings from various stages of Hana's life Rachael digitized and organized it all plucking it from the past and placing it into her present Then she began retracing her grandmother's story following her through Central Europe Scandinavia and across the United States She tracked down the descendants of those who helped save her grandmother's life during the war Rachael went in pursuit of her grandmother's memory to explore how the retelling of family stories becomes the history itself We Share the Same Sky weaves together the stories of these two young women Hana as a refugee who remains one step ahead of the Nazis at every turn and Rachael whose insatiable curiosity to touch the past guides her into the lives of countless strangers bringing her love and tragic loss Throughout the course of her twenties Hana's history becomes a guidebook for Rachael in how to live a life empowered by grief

The Battle for Sky Christopher Williams,2019-05-30 From perilous early years through clashes with the BBC and BT not to mention the News Corporation bid for full control that failed in the wake of 2010 s phone hacking scandal there has been no shortage of drama in Sky s history nor in its likely future In 2018 the organization was the target of bids from two true titans of the global media industry Disney and Comcast with a dramatic bidding war waged for ultimate ownership Throw in an industry already shaken by the arrival of newer media players such as Netflix the declining circulation of Murdoch newspapers such as The Sun and The Times as well as the UK government s scrutiny of the Murdoch family s influence on UK media and the scene was set for a major corporate battle of a size rarely seen on the global business stage But how exactly did Comcast win in the battle for shareholder votes How will the Murdoch empire fare when the dust finally settles And what does it mean now for the future of entertainment in a streaming downloadable and digital world Featuring interviews with key individuals and stakeholders from around the world The Battle for Sky offers a timely and intriguing glimpse into the workings of media empires and a gripping account of one of the largest corporate battles in recent years

The Sky Was Ours Joe Fassler,2024-04-23 An immersive fever dream of a novel beautifully written and boldly imagined Leslie Jamison New York Times bestselling author of The Empathy Exams From prizewinning writer Joe Fassler comes a brilliant modern reimaging of the myth of Daedalus and Icarus as a story of obsession longing and the radical pursuit of utopia It s 2005 and 24 year old Jane is miserable Overworked buried in debt she senses the life she wanted slipping away while the world around her veers badly off course hurtling toward economic and ecological collapse She wants to find something better But she has no idea where to start In a sudden and unprecedented burst of rebellion Jane decides to

abandon everything she knows leaving behind her relationships and responsibilities to go on the road That s how she meets Barry a brilliant and charismatic recluse living on an isolated homestead near New York s Canadian border For years in secret Barry s chased an unlikely obsession to build a pair of wings humans can fly in with designs inspired by an obscure precursor to the Wright Brothers It s no mere hobby He s convinced his dream of flight will spark a revolution delivering us from the degradation of modern capitalism and the climate chaos that awaits us Jane is captivated by Barry s radical vision even as his experiments become more dangerous But she s equally drawn to the enigmatic Ike Barry s gentle thoughtful son who s known no other reality and who only wants to keep his father alive tethered to ground and to reason So begins an inventive dazzlingly beautiful story about the human desire for transcendence our longing to escape the mundane and glide into a euphoric future Inspired by the myth of Daedalus and Icarus *The Sky Was Ours* is a powerful and imaginative debut that explores the question If you had access to technology that allowed you to escape the confines of your life would you use it And if Barry s wings really could change the world would that be freedom *Corporate Finance* Michelle R.
