Shareda Passions:

Age of the Passions John Dwyer, 2001-01-01 The eighteenth century is often described as the age of reason This book argues that it should also be considered the age of the passions Eighteenth century writers recognised the passions as the springs of human life and actions They began to explore self interest sociability and love in ways that would have momentous consequences for the development of western culture The century s philosophes did not merely acknowledge the existence of the passions they sought to manipulate them for the good of society When carefully cultivated self interest led to prudent behaviour and national improvement sociability contributed to inter group harmony and national identity the powerful attraction between the sexes metamorphosed into politeness and altruism This book explores the eighteenth century language of the passions in its specifically Scottish context suggesting that Scottish writers such as Allan Ramsay James Fordyce and James Macpherson were cultural pioneers whose significance goes far beyond the transitory popularity of the literary products they created It also examines thinkers like Adam Smith and John Millar from a radically different perspective And it constructs new connections between the philosophy social thought sermons letters poetry and epic literature of enlightened Scottish society The Scottish contribution to modern consciousness was nothing short of profound The Scots brought the passions into the centre of discourse so they could no longer be ignored only exploited or repressed

Herbal Passions Carolee Snyder, 2012-03-23 Callie Gardener s third season at her fledgling business Joyful Heart Herb Farm is challenged with new complications Torn between the farm she loves and a desire to help Trooper Morgan Wright as he struggles with the aftermath of being shot she s burning the candle at both ends New employees are difficult to find and the weather isn t cooperating at all Big troubles come to Heartland the little town that s all heart and to the quirky characters that live and love there Follow the continuing stories of Mike Shipley the sweetest cutest UPS driver in the Midwest the friends in her girls night in group the gang at Dinah s Diner and the mysterious stranger who consistently comes to Callie s rescue Can he save her from life threatening danger And just who will finally capture her heart and release the passions that are ready to erupt *Herbal Passions* continues the adventures and romances of Callie Gardener that began with *Herbal Beginnings* and continued with *Herbal Choices* It chronicles another season of growing and is filled with fascinating herbal lore and helpful gardening information Twelve important herbs that are featured in the story are profiled Over seventy mouth watering original recipes for main dishes side dishes and breads are included

Governing Passions Mark Greengrass, 2007-09-13 A major scholarly re evaluation of the central period in the French wars of religion concentrating on the reactions of France s governing groups to these wars and drawing extensively on sources not hitherto examined to illuminate the sense of crisis that existed among the French governing elite at this time

Passions of Love and Life Lewis Barnhart, 2004-08 This book is to share the visions of love life and passion with poetry and prose It is for the passionate heart that burns like fire and the tender lover that moves as gentle as a butterfly but is as direct and deliberate as Cupid s

arrow Come share the passion and warmth that inspires new love to float on a cloud **Binding Passions** Guido Ruggiero, 1993-06-10 Mining the rich Venetian archives especially the unusually detailed records of Venice's own branch of the Roman Inquisition Guido Ruggiero provides a strikingly new and provocative interpretation of the end of the Renaissance in Italy In this boldly structured work he develops five narrative accounts of individual encounters with the Inquisition that illustrate the double edged metaphor of how passions were both bound by late Renaissance society and were seen in turn as binding people In this way new perspectives are opened on magic witchcraft love marriage gender and discipline at the level of the community and beyond Witches courtesans prostitutes women healers nobles Cardinals and renegade priests and monks speak from these pages describing their lives beliefs hopes fears and lies With an imaginative flair for storytelling and impeccable scholarship Ruggiero exposes the rich complexity of the culture and poetics of the everyday at the end of the Renaissance and illuminates a previously unexplored chapter in Italian history *The Many Passions of Michael Hardwick* Martin Padgett, 2025-06-03 The little known story of the man who sparked a groundswell of gay activism after a wrongly decided Supreme Court decision Michael Hardwick had no idea that when a police officer stood at his bedroom door on August 3 1982 he would become a face of the gay rights movement Arrested for sodomy Hardwick sued for his right to privacy all the way to the Supreme Court even as the HIV AIDS epidemic began its toll When he lost his era defining case inspired a half million people to protest and the ruling became one of the most reviled of its time Today *Bowers v Hardwick* reverberates again as the rights of privacy underpinning legal abortion contraception and same sex relationships come under fire But the individual Michael Hardwick has faded from memory his story has been relegated to legal arcana with only a pale rendering of his life outside of the Supreme Court case In *The Many Passions of Michael Hardwick* Martin Padgett assembles the complete kaleidoscope of Hardwick's life as a child of Stonewall as an artist and as one of many thousands claimed by the HIV AIDS epidemic Blending biography and history Padgett traces how Hardwick became a political symbol first by chance then by his own choice even when it made him an object of derision and scrutiny From the then unopened archives of legal scholar Laurence Tribe who argued Hardwick's case alongside the ACLU to hours of new interviews with Hardwick's surviving family and friends Padgett emerges with a story of someone who stood up for equality despite the infamy he knew would attach to him He reveals how Hardwick forced America to come to grips with queer people and to acknowledge its moral failures toward some of its most marginalized citizens In *The Many Passions of Michael Hardwick* Martin Padgett reveals the halting shifts in American sexual politics over the last half century posing urgent questions about the deliberations of the Supreme Court and returning to Hardwick the humanity stolen from him decades ago **Enough to Be Shared: a Purpose-Driven Name** Dr. George Appiah-Sokye, 2021-06-06 Do names have meaning Is there a relationship between the meaning of a name and the purpose of one's life Can the name of a person tell his or her life story Can the experiences of a person present useful life lessons Most names of African origin have meaning A lot of people name their

children after good people so that the children will turn out to be good citizens Several biographies and autobiographies have been written but in this book the author seeks to draw an association between the meaning of his name and the purpose of his life using his lived experiences both negative and positive to present useful lessons to people especially the younger generation The author views life as a journey involving experiences that are not captured by resumes and profiles of people In 30 Chapters the author tells his life story from both Africa and the United States of America to present useful lessons to be explored to improve human life In this book Enough to be Shared A Purpose Driven Name A Vivid Life Story Application of George Appiah Sokye the author responds to requests for mentorship from both current and prospective accounting students in particular as well as the younger generation and Africans in the Diaspora in general It is hoped the reader will find the contents of this book very useful

Perpetua's Passion Joyce E. Salisbury, 2013-06-17 Perpetua's Passion studies the third century martyrdom of a young woman and places it in the intellectual and social context of her age Conflicting ideas of religion family and gender are explored as Salisbury follows Perpetua from her youth in a wealthy Roman household to her imprisonment and death in the arena

Passion for Truth Rev. Fr. Juan R. Velez, 2011-12 In *Passion for Truth* author and scholar Fr Juan R V lez painstakingly uncovers the life and work of Blessed John Henry Newman In the story of his early years his family upbringing and university education and through his vast correspondence with family friends and colleagues V lez acquaints us with Newman the loyal friend profound thinker prolific writer and holy priest A true Catholic gentleman who can be admired and loved by all who love the Truth Newman was a talented but timid young man who often doubted his own competence but was to become one of the most influential teachers and writers of the 19th Century Starting life as a devout and promising Anglican scholar he finished the race a faithful and unwavering Catholic priest and Cardinal to the disappointment of some of his closest friends and the great joy of many others His prominent position as an Anglican clergyman and Oxford don made his long anticipated conversion the subject of great interest to many of his contemporaries and once he crossed over to Rome many Anglicans followed his lead His clarity of thought as a scholar was such as is hardly seen in contemporary society and was even growing rare in his own day A relentless pursuit of wisdom did not allow him to simply store away his knowledge but urged him to conform his life to what was true wherever and whenever he discovered it This passion for Truth did not always gain him friends but it ultimately gained him what he valued above all else a home in the True Church of Christ

Crime of Passion Lynne Graham, 2018-10-15 Her pride begs her to resist the Bolivian billionaire's charms Her body has other ideas A classic romance from the USA Today bestselling author You go to pieces when I touch you Four years ago Rafael Bernanza devastated Georgie's emotions and her pride when he spurned her and she vowed never to let him get that close again But now stranded in Bolivia her belongings stolen Georgie is mistaken for a prostitute and thrown in a police cell With a sinking heart she realizes that Rafael is the only man who can help her Yet at what price Because however hard she tries Georgie can't deny how physically attractive she still finds the brooding Rafael

and it s becoming impossible to deny the passionate fire that burns between them
