Sharing Destiny A Study Of Global Integration:

Sharing Destiny Trygve Mathisen, 1984 *Global Community* Akira Iriye, 2002-07-06 How did the global community both as an idea and as a reality originate and develop over time This text examines this concept by looking at the emergence growth and activities of international organizations from the 19th century to the 21st Akira Iriye one of this country's most preeminent historians proposes a significant rereading of the history of the past fifty years suggesting that the central influence on the international scene in this period was not the Cold War but rather a deepening web of international interactions The first systematic study of international organizations by a historian *Global Community* moves beyond the usual framework for studying international relations politics war diplomacy and other interstate affairs as it traces the crucial role played by international organizations in determining the shape of the world today **Future Survey Annual 1984**

Responsibilities for Sustainable Societies Thich Nhat Tu,Thich Duc Thien,2019-05-03 FOREWORD In 1999 the General Assembly of the United Nations adopted the resolution to recognize the Vesak Day as an International Day of Recognition of Buddhists and the contribution of the Buddha to the world Since then the people and the Royal Government of the Kingdom of Thailand in general and Mahachulalongkornrajavidyalaya University in particular were very honored to have successively and successfully held for twelve years the United Nations Day of Vesak Celebrations in Thailand From 2004 to date we have come a long way in the celebrations and we are happy to be the host and organizer but it is time for the celebrations to grow

and evolve The United Nations Day of Vesak is coming to maturity with twelve celebrations under our belt much experience gained and it is time now to share this with others There will always be room for growth and development and we are elated to see it grow In 2006 2007 having joined the International Organizing Committee for the UN Day of Vesak as Deputy Secretary General Ven Dr Thich Nhat Tu has played a crucial role in building strong relationships between the National Vietnam Buddhist Sangha and the International Council for Day of Vesak in particular and the Global Buddhist communities in general We have supported and congratulated Vietnam on organizing successful UNDV celebrations and conference in 2008 and 2014 respectively We have full trust in Vietnam being the host of UNDV 2019 for the third time We like to thank all those who have contributed to the success of previous celebrations and wish all future celebrations be successful The teachings of the Buddha see no boundaries the minds of all are alike the sufferings of all are similar and truly and the liberation of all is the same We are happy to initiate the process develop the scope and now it is time for others to follow in similar footsteps evolve the celebrations into a truly international event that can be shared with Buddhists and Non Buddhists alike Let the Dhamma of the Buddha be the beacon to the world shredding away the ignorance within our hearts bringing development into sustainable capacity for humanity and more importantly peace and harmony to the world Most Ven Prof Brahmapundit President International Council for Day of Vesak ICDV President International Association of Buddhist Universities IABU PREFACE The history of mankind records how the Buddha got enlightenment and showed a path which not only leads but also guides the world till date That is solely to emanate wisdom and offer insights which help us overcome numerous challenges and achieve the welfare of humanity Recognizing his pragmatic approach values and contribution of Buddhism the United Nations in a resolution in 1999 decided to celebrate the Triply Blessed Day of Vesak Birth Enlightenment and Passing Away of Gautama falling mostly in a lunar calendar in the month of May The first celebrations were held way back in the year 2000 at the United Nations Headquarters in New York and subsequently the day has been celebrated hugely in different countries Today our planet is confronted with a number of crises and unprecedented natural disasters The imminent threat of terrorism and ethnic violence tackling poverty providing education and sustainable development leads us to strive for social justice There is an urgent need for concerted and constant planning and right effort at an international level to foster permanent peace in the societies and in the lives of individuals Against the backdrop of such widespread misery and strife leading to complex issues and crises Buddhism with its rich heritage of tolerance and non violence can contribute immensely and inspire us with His message of loving kindness peace and harmony in today s world The United Nations Day of Vesak UNDV 2019 is a testimony to this fact Vietnam got the chance and responsibility of hosting this international Buddhist event UNDV in 2008 and 2014 respectively The event proved an amazing spectacle of religious and spiritual festivity with thousands of Buddhists from around the world converging in Vietnam to spread the Buddha s message of peace love and harmony This is the third time that Vietnam is hosting this important international event which is

viewed by Buddhists as an opportunity to spread the Buddha's message and values of love, peace, non-violence, tolerance and compassion across the world. It is a great honor for Vietnam, the Vietnamese people, the National Vietnam Buddhist Sangha and Buddhists all around the world to participate in the UNDV celebrations and spread the rich Buddhist heritage, especially its teachings of equality, social justice, respect and understanding for the benefit of all humanity. World Buddhists and particularly the Vietnamese people are excited about their country hosting this auspicious and important event for the third time. This international religious, cultural and academic event would also certainly promote interaction and exchange of Buddhist cultural and intellectual values among diverse countries. The International Buddhist conference with the main theme of Buddhist Approach to Global Leadership and Shared Responsibilities for Sustainable Societies during the celebrations could not have been more relevant and timely. The present book is the outcome of one workshop representing one perspective of the conference. Other perspectives of the conference include: i) Mindful Leadership for Sustainable Peace; ii) Buddhist Approach to Harmonious Families, Healthcare and Sustainable Societies; iii) Buddhist Approach to Global Education in Ethics; iv) Buddhism and the Fourth Industrial Revolution; and v) Buddhist Approach to Responsible Consumption and Sustainable Development. This international conference aims to foster co-operation among Buddhist communities and institutions and to develop Buddhist solutions to the global crisis. Papers selected for this volume are those that combine thematic relevance, familiarity with the main theme or sub-themes, significant research in primary resources, innovative theoretical perspectives, clarity of organization and accessible prose style. Acceptable articles in this volume are determined by the Academic Peer Review Committee. UNDV 2019 certainly is an opportunity for the world Buddhists, the National Vietnam Buddhist Sangha and all the members of the international community to benefit from the rich traditions, values and spiritual ideals of Buddhism. The pragmatic path shown by Buddha can make the world a better, safer, more peaceful and harmonious place to be cherished and enjoyed by all sentient beings. A Shared Destiny Institute of Medicine, Board on Health Care Services, Committee on the Consequences of Uninsurance, 2003-04-05 A Shared Destiny is the fourth in a series of six reports on the problems of uninsurance in the United States This report examines how the quality quantity and scope of community health services can be adversely affected by having a large or growing uninsured population It explores the overlapping financial and organizational basis of health services delivery to uninsured and insured populations the effects of community uninsurance on access to health care locally and the potential spillover effects on a community's economy and the health of its citizens The committee believes it is both mistaken and dangerous to assume that the persistence of a sizable uninsured population in the United States harms only those who are uninsured
