Sharing Makes Me Happy:

Veracity and Verse James A. Forbes Jr., 2025-06-03 Explore the remarkable life and heartfelt verse of the Rev Dr James A Forbes Jr the first Black senior minister at Riverside Church in New York City one of the largest multicultural congregations in the US As the first Black senior minister at Riverside Church in New York City James A Forbes Jr shattered barriers of Black leadership in mainline Christian denominations Through his powerful sermons Forbes brought the rich preaching styles of the African American church to white pulpits leaving an indelible mark on the landscape of progressive Christianity *Veracity and Verse* provides a chronology of Forbes s life in his own words detailing his journey through discrimination and rejection to become a revered professor at Union Theological Seminary ultimately called to the prestigious pulpit of Riverside Church where he served for eighteen years Through Forbes s own poems and narratives readers will be immersed in the triumphant story of his life from the struggles of the segregated South to his ascent to the greatest liberal Christian pulpit in the world *Veracity and Verse* is a testament to the resilience faith and enduring impact of an extraordinary individual

Sharing the Work Myra Strober, 2017-03-31 The tumultuous life and career of a woman who fought gender bias on multiple fronts in theory and in practice for herself and for us all Myra Strober s *Sharing the Work* is the memoir of a woman who has learned that having it all is only possible by sharing it all from finding a partner who values your work as much as you do to fighting for family friendly policies You will learn that finding allies is crucial blending families after divorce is possible and that there is neither a good time nor a bad time to have children Both women and men will find a friend in these pages Gloria Steinem Myra Strober became a feminist on the Bay Bridge heading toward San Francisco It is 1970 She has just been told by the chairman of Berkeley s economics department that she can never get tenure Driving home afterward wondering if she got something out of the freezer for her family s dinner she realizes the truth she is being denied a regular faculty position because she is a mother Flooded with anger she also finds her life s work to study and fight sexism in the workplace in academia and at home Strober s generous memoir captures the spirit of a revolution lived fully from her Brooklyn childhood and her shock at age twelve when she s banished to the women s balcony at Shul to her groundbreaking Stanford seminar on women and work Strober s interest in women and work began when she saw her mother s frustration at the limitations of her position as a secretary Her consciousness of the unfairness of the usual distribution of household chores came when she unsuccessfully asked her husband for help with housework Later when a group of conservative white male professors sputtered at the idea of government subsidized child care Strober made the case for its economic benefits In the 1970s the term sexual harassment had not yet been coined Occupational segregation quantifying the value of work in the home and the cost of discrimination were new ideas Strober was a pioneer helping to create a new academic field and founding institutions to establish it But she wasn t alone she benefited from the women s movement institutional change and new federal regulations that banned sex discrimination She continues the work today and invites us to join her **Sharing**
