## ACKNOWLEDGEMENTS

I should like to thank the many friends who have over the past five years or so assisted me with the collecting of photographs and information relating to the SHARKMOUTH and to variations of this marking. My thanks to all who helped; their names are listed below in alphabetical order. Probably a word about the layout of the books may not be out of place here. The layout finally chosen after much thought is partly chronological and partly by type and/or unit, the lapses being dictated by the space available and the large amount of material which had to be included. I make no apology for the duplication of certain photographs and illustrations which have appeared in earlier AIRCAM publications, for obvious reasons.
