Shattered Dream A Southern Bride At The Turn Of The Century:

The Shattered Dream Margaret Sloan, 1991 Margaret Sloan's dream of the perfect union of man and wife is threatened when her marriage turns sour *Breaking Boundaries* Sherrie A. Inness, Diana Royer, 1997 *A Bibliography of Tennessee History, 1973-1996* W. Calvin Dickinson, Eloise R. Hitchcock, 1999 With some 6 000 entries *A Bibliography of Tennessee History* will prove to be an invaluable resource for anyone students historians librarians genealogists engaged in researching Tennessee's rich and colorful past A sequel to Sam B Smith's invaluable 1973 work *Tennessee History A Bibliography* this book follows a similar format and includes published books and essays as well as many unpublished theses and dissertations that have become available during the intervening years The volume begins with sections on Reference Natural History and Native Americans Its divisions then follow the major periods of the state's history Before Statehood State Development Civil War Late Nineteenth Century Early Twentieth Century and Late Twentieth Century Sections on Literature and County Histories round out the book Included is a helpful subject index that points the reader to particular persons places incidents or topics Substantial sections in this index highlight women's history and African American history two areas in which scholarship has proliferated during the past two decades The history of entertainment in Tennessee is also well represented in this volume including for example hundreds of citations for writings about Elvis Presley and for works that treat Nashville and Memphis as major show business centers The Literature section meanwhile includes citations for fiction and poetry relating to Tennessee history as well as for critical works about Tennessee writers Throughout the editors have strived to achieve a balance between comprehensive coverage and the need to be selective The result is a volume that will benefit researchers for years to come The Editors W Calvin Dickinson is professor of history at Tennessee Technological University Eloise R Hitchcock is head reference librarian at the University of the South **Legacy**, 1992 *George Washington's Beautiful Nelly* Nelly Custis Lewis, 1991 A life in letter penned by a well connected daughter of the early republic *Women of Color and Southern Women: A Bibliography of Social Science Research, 1975-1988* Stella A. Warren, Rebecca F. Guy, Elizabeth Higginbotham, Lynn Weber, 1994 *Songs of the New South* Suzanne Disheroon Green, Lisa Abney, 2001-03-30 The works of Louisiana authors differ from the works of other Southern writers in significant ways Strong French Spanish Native American and African American traditions shaped Louisiana culture and Louisiana writers reflect that cultural diversity in their works So too historical and religious influences caused Louisiana to develop in a distinct way and these influences have similarly affected Louisiana writers The narrative styles employed by these writers generally differ from the styles of other Southern authors While contemporary Louisiana writers have contributed a substantial body of work to Southern literature their writings have not received adequate scholarly attention This book provides a critical introduction to Louisiana literature and gives special attention to how Louisiana literature and culture depart from the rest of the South The volume is the first collection of scholarly studies focusing on Louisiana writers from the 1930s to the present Drawing

together discussions of 15 of Louisiana's current premier fiction writers the collection is organized into three broad sections. The first examines Louisiana narratives and folk traditions; the second influences of religious traditions on Louisiana writers including Protestantism, Catholicism, and Paganism; and the third the construction of gender and race in Louisiana culture. Included are discussions of such writers as Ernest J. Gaines, Anne Rice, James Lee Burke, Moira Crone, John Dufresne, Michael Lee West, Rebecca Wells, and Robert Olin Butler. Tennessee Historical Quarterly, 1992. *The News-letter of the Society for the Study of Southern Literature*, Society for the Study of Southern Literature, 1990. *Resounding Voices*, Gloria Boutte, 2002. This book discusses education through the voices of individuals from various ethnic groups who are not usually heard or who have been silenced. The uniqueness of this book lies in the diversity of authors from different ethnic groups, family backgrounds, disciplines, and geographic locations. The stories included in this book are based on interviews with people from the following groups: African Americans, Asian Americans, biracial Americans, European Americans, Latino Americans, and Native Americans. A particular strength of the book is that the interviews were conducted by people from the same ethnic group as the interviewees. Hence the authors of each chapter possess insights about the cultural groups that may not be readily apparent to others. Each chapter explicitly provides educational implications and resources. For educators or anyone interested in multicultural education.
