Shaughnessy The Passionate Politics Of Shaughnessy Cohen:

Shaughnessy Susan Delacourt,2000 By the time of her death in 1998 Shaughnessy Cohen had served as a member of Canadian Parliament for five years and had learned how to use women s politics to succeed in a man s world To watch how she did it is to go inside the nomination battles the caucus meetings and the committee rooms where the unseen drama of Canada s politics is played out and to understand perhaps in a way that has never before been so fully revealed the realities that confront women in political life **Aiming to Explain** B. Timothy Heinmiller,Matthew A. Hennigar,2022-06-29

Firearms policy has periodically dominated Canadian politics since the late 1960s Compared to the United States however there is little scholarship on firearms policy to the neighbouring north Using Canadian firearms policy Aiming to Explain examines five prominent policy process theories employed during the period from the 1989 Montreal Massacre to the 2012 cancellation of the universal firearms registry Throughout B Timothy Heinmiller and Matthew A Hennigar present rigorous applications of rational choice institutionalism social constructivism the advocacy coalition framework the multiple streams framework and punctuated equilibrium The investigations draw on method based best practices while also making use of a wide range of data collection and analysis techniques including inferential statistics descriptive statistics process tracing congruence analysis and qualitative content analysis The goal of Aiming to Explain is not to select a single best theory but to compare their relative strengths and weaknesses in an effort to direct future research and theoretical development efforts in the study of Canadian public policy Biography ,2000 **Canadian Book Review Annual** Joyce M.
