Shaul Of Tarsos:

Shaul of Tarsos Richard W. Coan, 2005 Killing Caligula is a fictional account of the assassination of Caligula the maddest of the mad Roman Emperors by the man who historically masterminded and did it Insanity can be fascinating **The Restored New Testament: A New Translation with Commentary, Including the Gnostic Gospels Thomas, Mary, and Judas** Willis Barnstone, 2009-09-22 From acclaimed scholar Willis Barnstone The Restored New Testament newly translated from the Greek and informed by Semitic sources For the first time since the King James Version in 1611 Willis Barnstone has given us an amazing literary and historical version of the New Testament Barnstone preserves the original song of the Bible rendering a large part in poetry and the epic Revelation in incantatory blank verse This monumental translation is the first to restore the original Greek Aramaic and Hebrew names Markos for Mark Yeshua for Jesus thereby revealing the Greco Jewish identity of biblical people and places Citing historical and biblical scholarship he changes the sequence of texts and adds three seminal Gnostic gospels Each book has elegant introductions and is thoroughly annotated With its superlative writing and lyrical wisdom The Restored New Testament is a magnificent biblical translation for our age **We Jews and Blacks**

Willis Barnstone, 2004-06-14 A central theme of this memoir by poet and translator Willis Barnstone is that of labels names ethnicities all distinctions that cause suspicion anger and destruction A fresh and significant contribution to American letters We Jews and Blacks wrestles with problems of identity difference and the human condition It is a dramatic whimsical and literary work that also contains a number of Barnstone's poems which offer a second view of an event a crystallization of his thinking both sorrowful and joyful The book includes a dialogue with Yusef Komunyakaa and a small selection of his poems

The Anointed John Ostrowick, 2009-07-18 Not much is clear when we consider the history of first century Israel We know it was a nation in turmoil with constantly shifting politics and ideas Crippled by kings who were unable to keep their thrones governors who were evicted from office soon after taking it Israel was beset with brutal violent outbursts and equally brutal suppressions In such a climate it was inevitable that there'd be no shortage of populist leaders all pretending to know what was best for the people But something happened and whatever it was it was to determine the history of the world for the next two thousand years We all know the familiar story But what if it didn't happen like that Memory, Memorization, and Memorizers Marcel Jousse, 2018-07-18 This book is about the spoken word It is about words spoken in the first century of our era and later put down in writing as confirmation of what had been said and done Here Marcel Jousse answers his own fundamental question How did the human being placed at the heart of the countless actions of the universe set about to conserve within him the memory of these actions and to transmit this memory faithfully to his descendants from generation to generation To all oral societies tradition is memory and of all oral societies ancient Galilee perhaps more so than any other developed ways and means of capacitating memory to levels we no longer fathom This book is about how Ieshua's deeds and sayings were first faithfully recorded in the memory as and when they happened how they were then faithfully transmitted

orally within and without Palestine and how they were finally faithfully literally recorded anew as oral tradition put in writing

A Time To Act S.J.
