Shaving Lebons A Memoir Of Father And Son:

Shaving Lessons Kurt Chandler, 2000-04 SHAVING LESSONS is a truly honest and moving memoir that captures perfectly what it means to be a father and a son *My Father's Son* Farley Mowat, 1992 **Summer of Deliverance** Christopher Dickey, 2010-10-12 Summer of Deliverance is a powerful and moving memoir of anger love and reconciliation between a son and his father Hailed as a literary genius of his generation James Dickey created his art and lived his life with a ferocious passion He was a heavy drinker a destructive husband and father a poet of grace and sensitivity and after the publication and subsequent film of his novel Deliverance a wildly popular literary star Drawing on letters notebooks diaries and his explicit conversations with his father Christopher Dickey has crafted a superb memoir of the corrosive effects of fame a moving remembrance of a crisis that united a family and an inspiring celebration of love between father and son *Father and Son* Edmund Gosse, 1963 *I Am My Father's Son* Dan Hill, 2010-08-01 In this deeply moving memoir one of Canada's most respected singer songwriters traces his difficult often tumultuous relationship with his father From the time Dan Hill picked up a guitar at age 11 he tried to win the approval of Daniel Hill Sr a man who has been called Canada's father of human rights But Hill Sr set impossibly high standards for himself and his family especially for his eldest son leading to conflict and alienation even as young Dan achieved international fame and success Through vivid family stories letters memories and his own award winning lyrics Dan Hill tells the story of two parallel lives his father's in mid 20th century America and his own as a young black man coming of age in suburban Canada and the stormy but ultimately loving way each of those lives affected the other **Junior's Hope** William Roushey Jr, 2015-09-19 This is a love story between father and son Its beginnings are rooted in a proud father's love and a young child's adoration A teenage rebellion triggered by religious legalism jeopardizes their relationship and they drift apart As the son ages and begins a family of his own he is struck by the realization that he is not so different from his father An unexplainable urge prompts him to resume close ties with his dad Almost immediately after they reconnect his father is diagnosed with prostate cancer While doctors struggle to save his father's life the son searches for purpose in his own life As his dad nears death family members pray for healing yet a miracle never came or did it *My Son's Father* Dom Moraes, 1974 *Father and Son* Edmund Gosse, 2014-04-14 AT the present hour when fiction takes forms so ingenious and so specious it is perhaps necessary to say that the following narrative in all its parts and so far as the punctilious attention of the writer has been able to keep it so is scrupulously true If it were not true in this strict sense to publish it would be to trifle with all those who may be induced to read it It is offered to them as a document as a record of educational and religious conditions which having passed away will never return In this respect as the diagnosis of a dying Puritanism it is hoped that the narrative will not be altogether without significance It offers too in a subsidiary sense a study of the development of moral and intellectual ideas during the progress of infancy These have been closely and conscientiously noted and may have some value in consequence of the unusual conditions in which they were

produced The author has observed that those who have written about the facts of their own childhood have usually delayed to note them down until age has dimmed their recollections Perhaps an even more common fault in such autobiographies is that they are sentimental and are falsified by self admiration and self pity The writer of these recollections has thought that if the examination of his earliest years was to be undertaken at all it should be attempted while his memory is still perfectly vivid and while he is still unbiased by the forgetfulness or the sensibility of advancing years At one point only has there been any tampering with precise fact It is believed that with the exception of the Son there is but one person mentioned in this book who is still alive Nevertheless it has been thought well in order to avoid any appearance of offence to alter the majority of the proper names of the private persons spoken of It is not usual perhaps that the narrative of a spiritual struggle should mingle merriment and humour with a discussion of the most solemn subjects It has however been inevitable that they should be so mingled in this narrative It is true that most funny books try to be funny throughout while theology is scandalized if it awakens a single smile But life is not constituted thus and this book is nothing if it is not a genuine slice of life There was an extraordinary mixture of comedy and tragedy in the situation which is here described and those who are affected by the pathos of it will not need to have it explained to them that the comedy was superficial and the tragedy essential **Along the Way** Martin Sheen, Emilio Estevez, 2012-05-08 In this remarkable dual memoir film legend Martin Sheen and accomplished actor filmmaker Emilio Estevez recount their lives as father and son In alternating chapters and in voices that are as eloquent as they are different they tell stories spanning more than fifty years of family history and reflect on their journeys into two different kinds of faith Dust jacket *Look Forward* Robert A. Dixon, 2012 Literary Nonfiction Memoir None of the ER doctors thought he d survive the night No one ever thought he d wake from the coma But with the skill of the first responders from Worcester Fire Station 11 and the amazing commitment of the UMass Medical Center Bobby lived despite the odds His hope To one day walk again LOOK FORWARD is the true story of how Robert Dixon and his son overcame unfathomable adversity together It s a chronicle of courage commitment self exploration and faith What they learn along the journey is how a fragile relationship between father and son can become the most unbreakable of bonds
