

She Done Him Wrong

John DiLeo

She Done Him Wrong:

The Catholic Crusade Against the Movies, 1940-1975 Gregory D. Black, 1998-01-13 For more than three decades the Catholic church through its Legion of Decency had the power to control the content of Hollywood films From the mid 1930s to the late 1960s the Catholic Legion served as a moral guardian for the American public Hollywood studios submitted their films to the Legion for a rating which varied from general approval to condemnation This book details how a religious organisation got control of Hollywood and how films like *A Streetcar Named Desire* *Lolita* and *Tea and Sympathy* were altered by the Legion to make them morally acceptable Documenting the inner workings of the Legion *The Catholic Crusade against the Movies* also examines how the changes in the movie industry and American society at large in the post World War II era eventually conspired against the Legion's power and so led to its demise

Mae West Jill Watts, 2003-04-17 Why don't you come up and see me sometime Mae West invited and promptly captured the imagination of generations Even today years after her death the actress and author is still regarded as the pop archetype of sexual wantonness and ribald humor But who was this saucy starlet a woman who was controversial enough to be jailed pursued by film censors and banned from the airwaves for the revolutionary content of her work and yet would ascend to the status of film legend Sifting through previously untapped sources author Jill Watts unravels the enigmatic life of Mae West tracing her early years spent in the Brooklyn subculture of boxers and underworld figures and follows her journey through burlesque vaudeville Broadway and finally Hollywood where she quickly became one of the big screen's most popular and colorful stars Exploring West's penchant for contradiction and her carefully perpetuated paradoxes Watts convincingly argues that Mae West borrowed heavily from African American culture music dance and humor creating a subversive voice for herself by which she artfully challenged society and its assumptions regarding race class and gender Viewing West as a trickster Watts demonstrates that by appropriating for her character the black tradition of double speak and signifying West also may have hinted at her own African American ancestry and the phenomenon of a black woman passing for white This absolutely fascinating study is the first comprehensive interpretive account of Mae West's life and work It reveals a beloved icon as a radically subversive artist consciously creating her own complex image

Hollywood Censored Gregory D. Black, 1994 After a series of sex scandals rocked the film industry in 1922 movie moguls hired Will Hays to clear the image of movies Hays tried a variety of ways to regulate movies before adopting what became known as the production code Written in 1930 by a St Louis priest the code stipulated that movies stress proper behaviour respect for government and Christian values The Catholic Church reinforced these efforts by launching its Legion of Decency in 1934 Intended to force Hays and Hollywood to censor films the Legion of Decency engineered the appointment of Joseph Breen as head of the Production Code Administration For the next three decades Breen Hays and the Catholic Legion of Decency virtually controlled the content of all Hollywood films

Censoring Sex John E. Semonche, 2007 In this volume John E Semonche surveys censorship for reasons of sex from the

nineteenth century up to the present He covers the various forms of American media books and periodicals pictorial art motion pictures music and dance radio television and the Internet Despite the varieties of censorship running from self censorship to government bans a common story is told Censorship whether undertaken to ward off government regulation to help preserve the social order or to protect the weak and vulnerable proceeds on the assumption that the censor knows best and that limiting the choices of media consumers is justified Covering the history of censorship of sexual ideas and images is one way of telling the story of modern America *American Cinema of the 1930s* Ina Rae Hark,2007 Abstract

Censoring Hollywood Aubrey Malone,2011-10-10 Censorship has been an ongoing issue from the early days of filmmaking One hundred years of film censorship encompassing the entire 20th century are chronicled in this work The freewheeling nature of films in the early decades was profoundly affected by Prohibition the Depression and the formation of the Legion of Decency culminating in a new age of restrictiveness in the movies Such powerful arbiters of public taste as Will H Hays of the Motion Picture Producers and Distributors of America and Joseph Breen of the Production Code Association fomented an era whereby films with contentious material were severely censored or even condemned This held sway until rebellious filmmakers like Otto Preminger challenged the system in the 1950s eventually resulting in the abandonment of the old regime in favor of the contemporary G through NC 17 ratings system **Cary Grant** Marc Eliot,2009-02-04 Everybody wants to be Cary Grant Even I want to be Cary Grant Cary Grant He is Hollywood s most fascinating and timeless star Although he came to personify the debonair American Cary Grant was born Archibald Leach on January 18 1904 in the seaport village of Bristol England Combining the captivating beauty of silent screen legend Rudolph Valentino with the masculine irresistibility of Clark Gable Grant emerged as Hollywood s quintessential leading man Today the man from dream city as critic Pauline Kael once described him remains forever young an icon of quick wit romantic charm and urbane sophistication the epitome of male physical perfection Yet beneath this idealized movie image was a conflicted man struggling to balance fame with a desire for an intensely private life separate from the Cary Grant persona celebrated by directors and movie studios Exploring Grant s troubled childhood ambiguous sexuality and lifelong insecurities as well as the magical amalgam of characteristics that allowed him to remain Hollywood s favorite romantic lead for more than thirty five years Cary Grant is the definitive examination of every aspect of Grant s professional and private life and the first to reveal the man behind the movie star Working with the most talented directors of his time Grant starred in an astonishing seventy two films ranging from his groundbreaking comedic roles in such classics as Bringing Up Baby Howard Hawks and The Philadelphia Story George Cukor to the darker unforgettable characters of Alfred Hitchcock s Suspicion and Notorious culminating in the consummate sophisticates of An Affair to Remember Leo McCarey North by Northwest Hitchcock and Charade Stanley Donen The camera loved Grant and his magnetism helped illuminate his leading ladies some of the most glamorous women ever to grace the silver screen Mae West Irene Dunne Katharine Hepburn Ingrid Bergman Grace Kelly and

Sophia Loren among others Yet because of his pioneering role as an independent player Grant was repeatedly denied the Oscar he coveted a snub from the Academy that would last until 1970 when he graciously accepted a special lifetime achievement award Grant s sparkling image on screen hid a tumultuous personal life that he tried desperately to keep out of the public eye including his controversial eleven year relationship with Randolph Scott five marriages and numerous affairs Rigorously researched and elegantly written Cary Grant A Biography is a complete nuanced portrait of the greatest Hollywood star in cinema history TEN MOVIES AT A TIME John DiLeo,2017-11-01 John DiLeo is the author of five other books about classic movies And You Thought You Knew Classic Movies 100 Great Film Performances You Should Remember But Probably Don t Screen Savers 40 Remarkable Movies Awaiting Rediscovery Tennessee Williams and Company His Essential Screen Actors and Screen Savers II My Grab Bag of Classic Movies His website is johndileo.com and his Twitter handle is JOHNDiLEO

Cary Grant, the Making of a Hollywood Legend Mark Glancy,2020-09-15 A definitive new account of the professional and personal life of one of Hollywood s most unforgettable influential stars Archie Leach was a poorly educated working class boy from a troubled family living in the backstreets of Bristol Cary Grant was Hollywood s most debonair film star the embodiment of worldly sophistication Cary Grant The Making of a Hollywood Legend tells the incredible story of how a sad neglected boy became the suave glamorous star many know and idolize The first biography to be based on Grant s own personal papers this book takes us on a fascinating journey from the actor s difficult childhood through years of struggle in music halls and vaudeville a hit and miss career in Broadway musicals and three decades of film stardom during Hollywood s golden age Leaving no stone unturned Cary Grant delves into all aspects of Grant s life from the bitter realities of his impoverished childhood to his trailblazing role in Hollywood as a film star who defied the studio system and took control of his own career Highlighting Grant s genius as an actor and a filmmaker author Mark Glancy examines the crucial contributions Grant made to such classic films as Bringing Up Baby 1938 The Philadelphia Story 1940 Notorious 1946 An Affair to Remember 1957 North by Northwest 1959 Charade 1963 and Father Goose 1964 Glancy also explores Grant s private life with new candor and insight throughout the book s nine sections illuminating how Grant s search for happiness and fulfillment lead him to having his first child at the age of 62 and embarking on his fifth marriage at the age of 77 With this biography complete with a chronological filmography of the actor s work Glancy provides a definitive account of the professional and personal life of one of Hollywood s most unforgettable influential stars

Broadway Actors in Films, 1894-2015 Roy Liebman,2017-02-07 Many Broadway stars appeared in Hollywood cinema from its earliest days Some were 19th century stage idols who reprised famous roles on film as early as 1894 One was born as early as 1829 Another was cast in the performance during which Abraham Lincoln was assassinated One took her stage name from her native state Some modern day stars also began their careers on Broadway before appearing in films This book details the careers of 300 performers who went from stage to screen in all genres of film A few made only a single movie others hundreds Each entry

includes highlights of the performer's career a list of stage appearances and a filmography
