beginning to end Barely 14 years old her family was butchered before her eyes and she witnessed the deaths of two other women captives before her release by Chief Inkpaduta Gardner suffered years of illness after her return to white culture but eventually made a successful and prosperous life with a family This book went through seven editions in her lifetime and she eventually purchased the cabin and property from which she was abducted and turned them into a tourist attraction The cabin still stands today near Spirit Lake Iowa Told from the view of a woman looking back three decades to her traumatic experience Gardner used notes she had written down in the intervening years as well as public documents to produce a highly readable and compelling narrative For the first time this long out of print volume is available as an affordable well formatted book for e readers and smartphones Be sure to LOOK INSIDE by clicking the cover above or download a sample
