Quarterly of the Oregon Historical Society Oregon Historical Society,1905 **The National Magazine** ,1888 **The Quarterly of the Oregon Historical Society** Oregon Historical Society,1905 **Undaunted Courage** Stephen E. Ambrose,2011-11

In this sweeping adventure story Stephen E Ambrose the bestselling author of D Day presents the definitive account of one of the most momentous journeys in American history Ambrose follows the Lewis and Clark Expedition from Thomas Jefferson s hope of finding a waterway to the Pacific through the heart stopping moments of the actual trip to Lewis lonely demise on the Natchez Trace Along the way Ambrose shows us the American West as Lewis saw it wild awesome and pristinely beautiful Undaunted Courage is a stunningly told action tale that will delight readers for generations In 1803 President Thomas Jefferson selected his personal secretary Captain Meriwether Lewis to lead a voyage up the Missouri River to the Rockies over the mountains down the Columbia River to the Pacific Ocean and back Lewis was the perfect choice He endured incredible hardships and saw incredible sights including vast herds of buffalo and Indian tribes that had had no previous contact with white men He and his partner Captain William Clark made the first map of the trans Mississippi West provided invaluable scientific data on the flora and fauna of the Louisiana Purchase territory and established the American claim to Oregon Washington and Idaho Ambrose has pieced together previously unknown information about weather terrain and medical knowledge at the time to provide a colorful and realistic backdrop for the expedition Lewis saw the North American continent before any other white man Ambrose describes in detail native peoples weather landscape science everything the expedition encountered along the way through Lewis s eyes Lewis is supported by a rich variety of colorful characters first of all Jefferson himself whose interest in exploring and acquiring the American West went back thirty years Next comes Clark a rugged frontiersman whose love for Lewis matched Jefferson s There are numerous Indian chiefs and Sacagawea the Indian girl who accompanied the expedition along with the French Indian hunter Drouillard the great naturalists of Philadelphia the French and Spanish fur traders of St Louis John Quincy Adams and many more leading political scientific and military figures of the turn of the century This is a book about a hero This is a book about national unity But it is also a tragedy When Lewis

returned to Washington in the fall of 1806 he was a national hero But for Lewis the expedition was a failure Jefferson had hoped to find an all water route to the Pacific with a short hop over the Rockies Lewis discovered there was no such passage Jefferson hoped the Louisiana Purchase would provide endless land to support farming but Lewis discovered that the Great Plains were too dry Jefferson hoped there was a river flowing from Canada into the Missouri but Lewis reported there was no such river and thus no U S claim to the Canadian prairie Lewis discovered the Plains Indians were hostile and would block settlement and trade up the Missouri Lewis took to drink engaged in land speculation piled up debts he could not pay made jealous political enemies and suffered severe depression High adventure high politics suspense drama and diplomacy combine with high romance and personal tragedy to make this outstanding work of scholarship as readable as a novel
